Licence Annex B: Provisions relating to licensed actions on or around Special Areas of Conservation (SACs), Special Protection Areas (SPAs), Sites of Special Scientific Interest (SSSIs), and/or Ramsar sites within the county of Wiltshire.

Notes W, Y and Z to this Annex must be considered on any land where operations permitted under this licence are proposed or are undertaken.

Notes A and B apply only on and/or around Protected Sites and only in respect to Protected Sites where these Notes are cited in the 'Licence Condition' column of the table below for that site.

SSSI name	European Designated Site	Licence condition
	name (where applicable)	
Acres Farm		All vehicles must be restricted to existing tracks.
Meadow		Limit location of traps to existing sett footprint. Delay
		access until after hay cut, mid-July.
Baverstock		All vehicles must be restricted to existing tracks.
Juniper Bank SSSI		Limit location of traps to existing sett footprint.
Bencroft Hill		All vehicles must be restricted to existing tracks.
Meadows		Limit location of traps to existing sett footprint. Delay
		access until after hay cut, mid-July.
Bentley Wood		All vehicles must be restricted to existing tracks.
SSSI		Limit location of traps to existing sett footprint. Any
		decaying wood located within the sett footprint is to
		be left in situ if possible. If decaying wood must be
		moved then it should be moved no further than is
		necessary.
Bincknoll Dip		All vehicles must be restricted to existing surfaced
Woods		tracks. Limit location of traps to existing sett
		footprint within the woodland areas of the SSSI only
		and ideally in the conifer area. Traps should only be
		dug in, on boundary edges in these areas, such as
		hedgerows.
Blackmoor Copse		All vehicles must be restricted to existing tracks.
SSSI		Limit location of traps to existing sett footprint.
Botley Down SSSI		All vehicles must be restricted to existing tracks.
		Limit location of traps to existing sett footprint.
Bowerchalke		No activities from 1st March to 31st August to avoid
Downs		bird breeding season. All vehicles must be restricted
		to existing tracks. Limit location of traps to existing
		sett footprint.
Box Farm		All vehicles must be restricted to existing tracks.
Meadows		Limit location of traps to existing sett footprint or
		areas of scrub.
Box Mine SSSI	Bath & Bradford on Avon	No access within 20m of any entrance to a cave,
	Bats SAC	mine, shaft or adit.
Bracknell Croft		All vehicles must be restricted to existing tracks.
SSSI		Limit location of traps to existing sett footprint.
Bradley Woods		All vehicles must be restricted to existing tracks.
-		Limit location of traps to existing sett footprint.
Bratton Downs		All vehicles must be restricted to existing tracks.
		Limit location of traps to existing sett footprint. Delay
		access until after hay cut, mid-July.
Brickworth Down		All vehicles must be restricted to existing tracks.
and Dean Hill		Limit location of traps to existing sett footprint. Any
SSSI		decaying wood located within the sett footprint is to

SSSI name	European Designated Site name (where applicable)	Licence condition
		be left in situ if possible. If decaying wood must be
		moved then it should be moved no further than is
		necessary.
Brimsdown Hill		All vehicles must be restricted to existing tracks.
		Limit location of traps to existing sett footprint. Delay
		access until after hay cut, mid-July.
Britford Water		All vehicles must be restricted to existing tracks.
Meadows SSSI		Limit location of traps to existing sett footprint. Delay
		access until after hay cut, mid-July.
Burcombe Down		All vehicles must be restricted to existing tracks.
SSSI		Limit location of traps to existing sett footprint or on
		improved/ semi-improved grassland/scrub areas.
Burderop Wood		All vehicles must be restricted to existing tracks.
SSSI		Limit location of traps to existing sett footprint or
		areas of rhododendron or conifer plantation.
Calstone and		All vehicles must be restricted to existing tracks.
Cherhill Downs		Limit location of traps to existing sett footprint.
Camp Down SSSI		All vehicles must be restricted to existing tracks.
r		Limit location of traps to existing sett footprint or on
		improved/ semi-improved grassland/scrub areas.
Charnage Down		All vehicles must be restricted to existing tracks.
Chalk Pit		Limit location of traps to existing sett footprint or
		areas of scrub.
Chickengrove		All vehicles must be restricted to existing tracks.
Bottom		Limit location of traps to existing sett footprint.
Chilmark	Chilmark Quarries SAC	Exclude SSSI and no access to within 20m of the
Quarries	omana quames one	fenced site boundary.
Chilton Foliat	Kennet & Lambourn	No activities from 1st March to 31st July to avoid bird
Meadows SSSI	Floodplain SAC	breeding season. All vehicles must be restricted to
T ICUGOWS COO!	1 todaptam of to	existing tracks. Limit location of traps to existing sett
		footprint. Avoid wet woodland areas containing salix
		cinerea - Galium palustre woodland (Grey Willow).
		Except on existing tracks, no vehicle use, nor placing
		traps alongside any watercourses or waterbodies,
		nor within any wet area, fen, bog or mire. The
		licensee must assist Natural England with the
		gathering of information on fox control taking place
		on, and in the vicinity of, this SSSI and European Site
		(see Notes A and B).
Clattinger Farm	North Meadow & Clattinger	Exclude site
Cloorbury	Farm SAC	All vahiolog must be restricted to evicting tracks
Clearbury Down		All vehicles must be restricted to existing tracks.
SSSI		Limit location of traps to existing sett footprint or on
Olaviliii		improved/ semi-improved grassland/scrub areas.
Cley Hill		All vehicles must be restricted to existing tracks.
		Limit location of traps to existing sett footprint or on
	ļ	improved/ semi-improved grassland/scrub areas.
Cloatley Farm		All vehicles must be restricted to existing tracks.
		Limit location of traps to existing sett footprint. Delay
		access until after hay cut, mid-July.

SSSI name	European Designated Site name (where applicable)	Licence condition
Cloatley Manor	name (micro approauto)	All vehicles must be restricted to existing tracks.
Farm Meadows		Limit location of traps to existing sett footprint. Delay
		access until after hay cut, mid-July.
Clout's Wood		All vehicles must be restricted to existing tracks.
SSSI		Limit location of traps to existing sett footprint or
		areas of rhododendron or conifer plantation.
Coate Water SSSI		Avoid woodland areas. No activities from 1st March
		to 31st July to avoid bird breeding season. All
		vehicles must be restricted to existing tracks. Limit
		location of traps to existing sett footprint. Avoid
		placing traps alongside watercourses or pools and
		not within wet areas, fens, bogs and mires. The
		licensee must assist Natural England with the
		gathering of information on fox control taking place
		on, and in the vicinity of, this SSSI (see Notes A and
		B).
Cockey Down		All vehicles must be restricted to existing tracks.
SSSI		Limit location of traps to existing sett footprint or on
		improved/ semi-improved grassland/scrub areas.
Colerne Park and		All vehicles must be restricted to existing tracks.
Monk's Wood		Limit location of traps to existing sett footprint or
SSSI		areas of rhododendron or conifer plantation.
Corsham Railway		No additional conditions imposed.
Cutting SSSI		
Cotswold Water		No activities from 1st March to 31st August to avoid
Park		bird breeding season. No licensed activities from 1st
		September to 31st March in, immediately adjacent
		to, nor across any large waterbody, nor intertidal
		habitat, nor fen, reed bed or grazing marsh habitat.
		All vehicles must be restricted to existing tracks for
		the period stated. The licensee must assist Natural
		England with the gathering of information on fox
		control taking place on, and in the vicinity of, this
		SSSI (see Notes A and B).
Cranborne Chase		No activities from 1st March to 31st August to avoid
		bird breeding season. All vehicles must be restricted
		to existing tracks. Limit location of traps to existing
		sett footprint. The licensee must assist Natural
		England with the gathering of information on fox
		control taking place on, and in the vicinity of, this
		SSSI (see Notes A and B).
Dank's Down and		All vehicles must be restricted to existing tracks.
Truckle Hill SSSI		Limit location of traps to existing sett footprint or
		areas of scrub.
Dead Maid Quarry		All vehicles must be restricted to existing tracks.
•		Limit location of traps to existing sett footprint or
		areas of scrub.
Dinton Quarry		All vehicles must be restricted to existing tracks.
,		Limit location of traps to existing sett footprint.
Dinton Railway		All vehicles must be restricted to existing tracks. No
		digging in of traps in the area of geological features

Distillery Farm Meadows All vehicles must be restricted to existing tracks. Limit location of traps to existing sett footprint. Delay access until after hay cut, mid-July. Yarnbury Castle		All vehicles must be restricted to existing tracks.
		Limit location of traps to existing sett footprint.

NOTES TO ANNEX B

General note on interpretation:

Protected sites that are listed above are not necessarily part of any active operations. Active operations can and will only occur on protected sites where landowner/occupier permission has been granted.

Within the licence conditions, use of the word 'avoid' denotes a prohibition, i.e. it indicates that an area must be excluded from relevant activities or that activities must not be undertaken during the time period stated or in the manner described. Similarly, the word 'restrict' means that activities must be confined to the areas or time periods stated.

For further details on each protected site and its notified features of special interest and/or European Site qualifying features please enter the site name into the following link: https://designatedsites.naturalengland.org.uk/SiteSearch.aspx.

Individual notes:

Note A: Natural England will inform the licensee from time to time of the information it requires. This is likely to focus on whether fox control is routinely undertaken on the relevant site and/or on areas of participating land within a few kilometres of the site. The licensee is expected to use reasonable endeavours to assist Natural England with the gathering of this information.

Note B: Natural England may form the judgment that measures should be introduced to secure the protection of species associated with this site, such as fox control, anti-predator fencing, habitat management, or buffer zones in which badger control is not undertaken. Such measures may be secured through cooperation between licensees, landowners, occupiers, and/or public bodies. If it considers it necessary to do so, Natural England may: exercise its powers under sections 28J-K of the Wildlife and Countryside Act 1981 or regulation 20 of the Conservation of Habitats and Species Regulations 2017; and/or revoke and re-issue this licence with revised terms (provided that such terms will be reasonable and proportionate in all of the circumstances).

Note W: European protected species are listed in Schedule 2 (animals) and Schedule 5 (plants) of the Conservation of Habitats and Species Regulations 2017. Nationally protected species are listed in Schedule 5 (animals) and Schedule 8 (plants) of the Wildlife and Countryside Act 1981 (as amended). Under these laws (regulations 43 and 47 of the 2017 Regulations and sections 9 and 13 of the 1981 Act), it can be an offence to:

- deliberately capture, injure or kill any wild animal of a European protected species;
- intentionally kill, injure or take a nationally protected wild animal;
- deliberately disturb wild animals of any European protected species;
- intentionally or recklessly damage or destroy any structure or place which a nationally protected animal uses for shelter or protection, disturb such an animal while it is occupying such a structure or place, or obstruct access to any such structure or place;
- damage or destroy a breeding site or resting place of any wild animal of a European protected species;
- deliberately take or destroy the eggs of any wild animal of a European protected species;
- deliberately pick, collect, cut, uproot or destroy a wild plant of a European protected species;
- intentionally pick, uproot or destroy any nationally protected wild plant.

Great Crested Newt, Otter, Dormouse, and Sand Lizard are European and nationally protected species.

Note Y: All birds, their eggs and nests (while in use or under construction) are protected under the Wildlife and Countryside Act 1981. This licence does not allow you to take or destroy such nests. Bird species listed under Schedule 1 of that Act have additional legal protection so care must be taken to avoid their disturbance during the breeding season.

Note Z: All bats and their roosts (even when not occupied by bats) are protected by the Wildlife & Countryside Act 1981 and by The Conservation of Habitats and Species Regulations 2017. This licence does not allow you to enter or obstruct any bat roost, nor to disturb any bat whilst it is occupying a roost. Care must be taken to avoid sustained human presence near, or artificial illumination of cracks and cavities in trees and man-made structures, and of any mounted boxes.
