Subject: Stoke Lodge Camera

Dear planners

I object my nearest open space, where my foster sons played football and rounders taken from us. I object to being spied on by cameras when we approach the area to walk. I object to being verbally threatened from speakers attached to the camera. I have lived in this neighbourhood for most of my life [REDACTED] and I can't accept being treated as a criminal for trying to enjoy my local green space. It is my right. It belongs to every citizen. My foster son's football team has had to move. [REDACTED]
[REDACTED], Stoke Lodge is about the farthest I can walk [REDACTED] for a bit of fresh air and exercise.

Yours sincerely
