To whom it may concern

I would like to express my objection to the proposed installation of 8 CCTVs and the supporting infrastructure on Stoke Lodge. This is not necessary and will have a negative impact on the beauty of Stoke Lodge. It will impinge on the community using the site , both as a well loved place to exercise and meet, and as a public right of way. This will also infringe on the privacy of families whose properties overlook Stoke Lodge.

For these reasons, I strongly object to the proposed plan put forward by Cotham School.

Yours Sincerely

Therese Millar
