

EMPLOYMENT TRIBUNALS

Claimant: Mr U Mansoor

Respondent: Regional Recruitment Services

JUDGMENT

UPON considering the claim

UPON noting the claimant was dismissed in breach of contract but has received monies owed to him for the breach.

UPON noting the claimant seeks no further sums for breach of contract

AND UPON noting the respondent has failed to present a response.

IT IS THE TRIBUNAL's JUDGMENT that the respondent dismissed the claimant in breach of contract AND that a declaration to that effect is just satisfaction of the claim.
