Counterfeit	Unknown
Risk Level	Serious
Risk Type	Suffocation
Risk Description	<p>The inflatable bed bumpers have no valid technical documentation and there is a lack of labelling, marking and instructions. In the absence of markings and instructions to support consumers in safe usage, it may be possible for the product to be used in an unsafe manner. For example, if a young child is placed in a bed with the product unsupervised and moves in their sleep, they may become pressed against a bumper, restricting their airway and potentially leading to suffocation.</p> <p>Further information on safe sleeping for babies can be found on the NHS website at the following link: https://www.nhs.uk/start-for-life/baby/baby-basics/newborn-and-baby-sleeping-advice-for-parents/safe-sleep-advice-for-babies/</p> <p>The product does not meet the requirements of the General Product Safety Regulations 2005.</p>
Corrective Measures	The import has been rejected at the border.
