PART 1

Background

1. In 1954 the Government appointed a Departmental Committee to consider and recommend changes to the laws relating to homosexual offences and acts of prostitution performed by both sexes¹; the chair to the Home Office Committee was Sir John Wolfenden. The Committee's work dedicated almost half its session time to oral evidence and examination of witnesses; the Armed Forces were well represented in providing their evidence. The historical context was a period where National Service remained obligatory and this shaped some aspects of the Wolfenden Committee's discussions on the potential age of consent in a private homosexual relationship. The presence of National Servicemen throughout the Armed Forces and the presumed susceptibility of servicemen aged between 18 and 21 to sexual "corruption" by older personnel was also considered. The Armed Forces argued vigorously that a change in the law 'would sap the will of young men to resist homosexual advances and that discipline in the ranks (not to mention the moral fibre of the nation) would be undermined'². The Government took forward Wolfenden's recommendations in the 1967 Sexual Offences Act, applicable to England and Wales, which **decriminalised same-sex actions between consenting adults**. However, despite the phasing out of National Service from 1957 onwards, the 1967 Sexual Offences Act also explicitly prohibited homosexual acts within the Armed Forces³. Therefore, members of the Armed Forces were treated fundamentally differently from other citizens subject to UK law, in that they were not given the same rights under the Sexual Offences Act 1967.

2. Prior to the 1967 Act, same-sex sexual acts which were civil offences could be tried as such offences in courts-martial if one or more of those involved in the acts was subject to service law. Following the 1967 Act, same-sex sexual acts that ceased to be civil offences could no longer be tried in courts-martial under service law provisions relating to civil offences. The principal offences under the Sexual Offences Act 1967 for same-sex sexual acts that could constitute service discipline offences were 'disgraceful conduct' or 'disgraceful conduct of a cruel, indecent or unnatural kind' under section 66 of the Army Act 1955⁴ and section 66 of the Air Forces Act 1955 and 'disgraceful conduct of an indecent kind' under section 37 of the Naval Discipline Act⁵. These offences applied to anyone subject to service law (irrespective of whether the activities took place outside of the service environment with a civilian partner). For members of the Armed Forces homosexuality remained an offence.

3. In 1994 same-sex consensual activity ceased to be an offence under service law however the Ban on homosexuality in the Armed Forces remained in policy and it was possible to be administratively discharged under the Ban until 2000. Following a successful challenge in the

¹ Lewis, Brian: *Wolfenden's Witnesses: Homosexuality in Postwar Britain* (Basingstoke: Palgrave Macmillan, 2016), p3. The immediate post-War period was perceived in government circles to reflect a rise in sexual offences, both in the numbers of offences prosecuted in civil society, but also a cluster of individuals prominent in society who found themselves prosecuted for homosexual acts, both in public locations and in private. The publicity surrounding these cases led to unprecedented levels of discussion on the subject of homosexuality in the popular press; some articles castigated the perceived sexual transgression, but others called for reform.

² Lewis, *ibid.*, p17

³ Subsection Five of the Sexual Offences Act states 'Subsection (1) of this section shall not prevent an act from being an offence (other than a civil offence) under any provision of the Army Act 1955, the Air Force Act 1955 or the Naval Discipline Act 1957'

⁴ In addition, the less common offence of officers behaving in a scandalous manner under section 64 of the Army Act 1955 (section 64 of the Air Force Act and section 36 of the Naval Discipline Act). And the offence of breaches in 'good order and military discipline' (section 69 Army Act 1955 and Air Force Act 1955 and section 39 Naval Discipline Act).

⁵ The LGBT Veterans Independent Review May 2023, Final Report, p 35.

European Court of Human Rights, in January 2000 government policy was amended enabling personnel to serve in HM Armed Forces regardless of their sexuality.

4. In November 2018, the Government published the Veterans' Strategy⁶, a UK wide document which sets out the intent for the delivery of public services to Veterans across the UK. The Veterans' Strategy Action Plan (2022-2024) published in January 2022 included the commitment by Defence and the Office for Veterans' Affairs (OVA) to co-commission the Lesbian, Gay, Bisexual and Transgender (LGBT) Veterans Independent Review (IR) to better understand the impacts and implications of the 1967-2000 Ban on LGBT personnel. The Review set out to explore the nature of dismissal and other departures from the Armed Forces under the Ban; the impact the past experiences in the Armed Forces had on the subsequent lives of LGBT veterans; and the impact of the Ban on others in the Armed Forces community who may have been affected, such as those who were incorrectly perceived to be homosexual. Chaired by the Rt Hon. Lord Etherton KC, the Review team held a Call for Evidence and received over 1,100 testimonies which informed the production of the report and recommendations.

5. The Government published the IR by Lord Etherton in July 2023. The Government published its response to the IR on 13 December 2023. Minister Defence People and Families informed the House of Commons that the Government had accepted the intent behind all of the IR's recommendations.

6. The report found **that the policy which members of the Armed Forces were subjected to was wrong and the delivery invasive and intrusive**. Lord Etherton's Report revealed an unflinching picture of shocking treatment of Lesbian, Gay, Bisexual and Transgender service personnel in an institution with an 'incomprehensible policy of homophobic bigotry..⁷. Such was the impact of the final report from Lord Etherton that on 19 July 2023 the Prime Minister delivered an apology in the House of Commons to all those affected by the pre-2000 ban on LGBT individuals serving in HM Forces which stated that **"the Ban on LGBT people serving in our military until the year 2000 was an appalling failure of the British state – it was decades behind the law of the land."**

7. Of the 49 recommendations put forward by the IR, two concerned financial payments:

- a. Recommendation 28 (R28): An appropriate financial award should be made to affected veterans notwithstanding the expiry of litigation time limits. The Government's overall exposure should be capped at £50 million.
- b. Recommendation 29 (R29): There should be a time limit for making a claim for a financial award of 24 months from the time the Government publicises the financial award arrangements.

8. The **Lesbian, Gay, Bisexual and Transgender Financial Recognition Scheme** (LGBT FR Scheme) reflects these; although to many these two recommendations are important, they are a component part of the totality of restorative measures recommended by the IR. R28 and R29 are to be seen in the wider context of the restorative measures as a whole within the complete collection of IR recommendations.

Objective of the LGBT FR Scheme

9. The MOD understand that no amount of money can right the historic wrong faced by our veterans under the Ban; the intention of the LGBT FR Scheme is to provide an acknowledgement of the applicant's personal experiences during their Service as a result of the Ban.
10. The objective of the LGBT FR Scheme is a payment to recognise those who served under and suffered during their service as a consequence of the Ban. The LGBT FR Scheme is not a compensation scheme which seeks to compensate for pecuniary losses or provide *restitutio in integrum*.
11. The LGBT FR Scheme is paid voluntarily after the acceptance by the Government of the IR's recommendations. The recommendations for the financial payments in the IR Report are not legally binding on the MOD, and the department has discretion about how to deliver the financial payments provided that the delivery of the financial payments rationally and sensibly achieves the objective.
12. The LGBT FR Scheme recognises that the experiences of every individual affected may differ. The LGBT FR Scheme has been designed to consider each application against a number of criteria as detailed within the Scheme Rules.

Definitions

13. In the LGBT FR Scheme the following definitions apply:
- a. **Reverse burden of proof.** Under the LGBT FR Scheme, a reverse burden of proof will apply. This means that the burden of proof will lie with the MOD rather than the applicant to determine whether a fact or matter occurred. Unless the MOD finds evidence to contradict the reported events or facts stated by the applicant, the MOD will accept that the facts or experiences reported took place if on a balance of probabilities, they are more likely to have occurred than not.
 - b. **Veteran.** Veteran means an individual who served within HM Armed Forces for at least one day⁸. For the purposes of the LGBT FR Scheme the veteran would have had to have served within the period of the Ban⁹.
14. Applications for LGBT Financial Recognition payments will be closed by the Scheme when:
- a. An eligible application has been processed¹⁰ to its fullest extent and all necessary decisions and/or determinations have been made in accordance with the Scheme Rules, and all authorised payments have been made to the applicant and Appeal requests have been concluded; this includes the processing and informing of ineligible applicants¹¹.
- Or**
- b. The application has been withdrawn in full by the applicant.

⁸ It is recognised that the Scheme is open to applications from serving personnel who meet the eligibility criteria for a FR.

⁹ 27 July 1967 and 11 Jan 2000 inclusive.

¹⁰ There will be a series of decision and review points for assurance and compliance purposes throughout the process and each will be recorded and monitored as the application is processed.

¹¹ This may or may not include any potential payments if the Scheme is underspent once all applications have been processed.

15. The words “written” or “in writing” includes communication by letter, e-mail, LGBT FR Scheme specific to purpose software application (to be known as the LGBT FR Scheme App) generated message and text message.

16. **HM Revenue and Customs (HMRC) Income Tax Exemption.** LGBT FR Scheme payments are exempt from Income Tax under the Lesbian, Gay, Bisexual and Transgender (LGBT) Financial Recognition Scheme (Income Tax Exemption) Regulations 2025 (ref SI 2025/12). As such, there is no need to notify HMRC of the payments and no requirement to declare the payments on a Self-Assessment return. Applicants should still retain the LGBT FR Scheme decision and/or determination letters as evidence in case requested by HMRC.

17. **Income-related Social Security Benefits Exemptions.** The Department for Work and Pensions (DWP) in Great Britain, and the Department for Communities (DfC) in Northern Ireland, have introduced an indefinite capital disregard for payments made by the LGBT FR Scheme where someone is in receipt of means-tested benefits. Applicants should retain the decision or determination letters as they may be asked for such by either DWP or DfC as evidence.¹² ¹³

¹² Department of Health and Social Care (DHSC): Under Section 14 of the Care Act, local authorities have the power to charge for care and support but a financial assessment must be undertaken to assess what the person can afford to pay (taking account of the person’s income and capital). The DHSC Charging Regulations (for care and support) are linked to DWP Income Support Regulations and DHSC have updated their statutory guidance to request local authorities disregard LGBT FR Scheme payments when undertaking social care financial assessments.

¹³ The Scottish Government Regulations in respect of the calculation of Council Tax Reductions, (with effect from 2 June 2025) will disregard LGBT FR Payments.

PART 2

Eligibility

18. **Eligible Individuals.** The LGBT FR Scheme is open to any individual who served during the period of the Ban and who meets the eligibility criteria for a LGBT FR payment. Applications can be completed on the individual's behalf by their legal representative. Applications, except for those which are prioritised, will generally be processed in submission date order.

19. Applicants will be informed if their application has not passed the initial application check (see paragraph 41. "Guidance for Completing an Application Form") because it has been confirmed that the applicant was not a member of HM Armed Forces during the period of the Ban. All ineligible applicants will be informed in writing of their ineligibility via their chosen method of contact.

20. **Types of FR.** The scheme comprises of two types of Financial Recognition payments.

a. **LGBT Dismissed or Discharged Payment.** This payment will be available to those who were dismissed or administratively discharged, including Officers who were ordered or instructed to resign or retire by their respective Service Board, solely on the basis of their actual or perceived sexual orientation or gender identity during the Ban. A financial provision has been set aside of £50M for LGBT DD Payments.

b. **LGBT Impact Payment.** This payment will be available to those who fulfil the criteria in one of the levels (Levels 1 to 3) as outlined in the LGBT Impact Payment eligibility criteria. A financial provision has been set aside of £25M for LGBT Impact Payments.

21. The two FR types will be run concurrently. Details of the LGBT FR payments can be found at Annex B.

22. **LGBT DD Payment – Eligibility.** Anyone who was dismissed or administratively discharged based solely on the basis of their actual or perceived sexual orientation or gender identity, from 27 July 1967 to 11 January 2000.¹⁴

23. LGBT DD Payments includes Officers who were ordered or instructed to resign or retire by their respective Service Board as a result of an administrative process, solely on the basis of their actual or perceived sexual orientation or gender identity during the Ban.

24. Individuals who were dismissed for a discipline offence which is related directly to the Ban. The offence would not, if occurring in the same circumstances at the time of the application, constitute an offence.

a. **Note:** An application for a LGBT DD Payment is not the same as an application for a Disregard and Pardon under the Home Office Scheme. [Link - Guide to Applying for Restorative Measures.](#)

25. Individuals who were administratively discharged for a reason which is related directly to the Ban. The grounds for discharge, if occurring at the time the application is made, would not be lawful grounds for discharge.

¹⁴ 1967 Sexual Offences Act was granted royal assent on 21 July 1967 and came in to force on 27 July 1967 ([Link](#)) and the Ban was lifted in HM Armed Forces on 12 January 2000.

b. **Note:** An application for a LGBT DD Payment is not the same as an application for a Qualification of an Administrative Discharge under the LGBT Restorative Measures. [Link - Guide to Applying for Restorative Measures.](#)

26. For the avoidance of doubt, the DD Payment will include individuals who submitted their notice to terminate their contract but who were subsequently administratively discharged by their Service because of their sexual orientation or gender identity. Individuals who were medically discharged because of their sexual orientation or gender identity will also be eligible for the DD payment.

27. Individuals who left at the end of their contract, or who purchased their discharge as of right, or who opted not to extend their contracts, or who left the Service at the end of their notice period having submitted their notice to terminate their contracts, would not qualify for the Dismissed or Discharged Payment but can apply for the LGBT Impact Payment.

28. **LGBT Impact Payment – Eligibility.** The applicant has to have served in HM Armed Forces between 27 July 1967 and 11 January 2000.

29. The applicant has to have submitted an application which describes the impact which the Ban had on them personally during the period of their service in HM Armed Forces up to the point they left service. This includes anyone who/whose:

- (1) Suffered mental or physical harm (including physical and sexual assault) related to the Ban.
- (2) Was investigated by either the Service Police or their Chain of Command in relation to the Ban.
- (3) Lived experience suffered because of the culture within the Services which was directly related to the Ban.
- (4) Experienced any bullying/harassment, verbal or physical abuse which was directly related to the Ban.
- (5) Felt pressured to leave HM Armed Forces because of the Ban.
- (6) Was subject to invasive investigations by the Service Police, including off base surveillance, outing of their sexuality or gender identity to their family and friends.
- (7) Who was imprisoned due to an offence related to the Ban.
- (8) Was forced to undergo medical tests or 'treatments' which were related to the Ban.

30. The level of the LGBT Impact Payment will be determined by the Independent Panel (IP) based on the details submitted within the application describing what the applicant experienced during their service in HM Armed Forces. An application can be supported by any evidence supplied by the applicant and any evidence which can be found within service records¹⁵.

31. **Ineligible Applicants.** The LGBT FR Scheme is not open to any individual who did not serve during the period of the Ban and does not meet the eligibility criteria of the type of FR payment which they applied for. The LGBT FR Scheme is not open to any relatives, family members or persons of significance of a veteran who has died but did serve during the period of the Ban.

32. The Legal Representative of an individual who served during the Ban is not eligible to submit an application on behalf of a deceased veteran who did not apply before they died.

¹⁵ It is necessary for the applicant to give consent for the Scheme to review MOD held service records in order to process applications.

33. No applications will be accepted before the application window opens or after the application window has closed.

Underspend

34. The LGBT FR Scheme is committed to ensuring that the funding provision as recommended by the Independent Review (£50M) is fully dispersed. It will not be known if there will be a potential underspend until all the applications have been processed and the application window has been closed. If there is no underspend, then no underspend payments will be made. If there is an underspend, a process will be established for distributing the underspend to successful applicants, applying the general principles that underpin the design of the FR Scheme.

35. Underspend payments are outside of the Appeal criteria.

PART 3

The Application

36. **Application Window.** The scheme will be open for applications for 24 months from the date the application process is officially opened on 13th December 2024¹⁶. **No applications (hard copy or online) will be accepted once the LGBT FR Scheme is closed.** The scheme will be closed at 2359 hrs on 12th December 2026.

The Application Process

37. A generic application form can be found at Annex A. Applications will only be accepted either online via the Gov.UK LGBT FR Scheme website¹⁷ or a hard copy application form. If a request for a Financial Recognition Payment is received and the applicant has not completed an LGBT FR Scheme application form, they will be offered advice about how to apply and directed to the [LGBT Financial Recognition Scheme Gov.UK webpage](#) where they will be able to access a copy of the Scheme Rules. A Guide on “How to Apply for a Financial Recognition payment” can be found here. ([Link](#)). A copy of the LGBT FR Scheme Rules and Guide can also be sent to those who request a hard copy application form from the Veterans UK Helpline (see paragraph 40).

Applicants who lack mental or physical capacity

38. If an applicant lacks mental or physical capacity, a Legal Representative may complete and submit the application on the applicant’s behalf. The following may act as Legal Representative¹⁸:

- a. If the applicant is in the UK:
 - (1) a person exercising power of attorney over the applicant’s financial affairs or deputy, guardian or controller with responsibility for the applicant’s financial affairs;
 - (2) a person nominated in a letter written and signed by the applicant to assist them with their application; or
 - (3) a legal professional¹⁹.
- b. If the applicant resides outside of the UK:
 - (1) a person who has evidence which demonstrates that they have the authority to exercise corresponding powers of attorney on behalf of the applicant;
 - (2) a person nominated in a letter written and signed by the applicant to assist them with their application;
 - (3) a legal professional.

Prioritisation of Some Applications

39. The LGBT Financial Recognition Scheme will prioritise the following applications:

- a. Applications from applicants who are terminally ill.
- b. Applications from applicants who are 80 years of age or older.

¹⁶ Reference IR Report Page 166 Footnote 9; relating to the Supply and Appropriations Act.

¹⁷ The LGBT FR Scheme has a bespoke FR Scheme App which sits on a secure platform behind the Defence Gateway. LGBT applicants who wish to submit their applications online will, as part of the two step process, have to register for a Defence Gateway account.

¹⁸ If an applicant lacks capacity after they have submitted their application, a Legal Representative may step in to assist them at any point as their application is being processed. The Legal Representative should email the FR Scheme to discuss the situation and will be guided accordingly. LGBT-FRScheme@mod.gov.uk

¹⁹ Any legal fees incurred will be the sole responsibility of the applicant/individual who engaged/retained the legal services.

- c. Applications from applicants who have evidence to show they are experiencing severe financial hardship.

Applications from Terminally Ill Applicants

40. The LGBT FR Scheme application process allows for applicants to declare if they have a terminal illness. This will then ensure that the application is prioritised and will be moved quickly through the process to ensure that, if eligible, payment is made as swiftly as possible. There are certain criteria which will need to be met and documentation supplied by the applicant when they make a declaration to having a terminal illness. Details can be found on the generic application form at **Annex A**.

41. All applicants and especially terminally ill applicants are encouraged to ensure that they have an up to date will in place. If an applicant is diagnosed with a terminal illness after they have submitted their application form, they are encouraged to inform the FR Scheme (with supporting evidence), so that their application can be prioritised. More details can be found in the guide on “How to Apply for a Financial Recognition payment” ([Link](#)).

Applicants who die after an application has been submitted but before payment is made

42. LGBT FR applications will continue to be processed if an applicant subsequently dies before a decision or determination on the application is reached²⁰ as long as the applicant was alive at the time the application was submitted. The LGBT FR Scheme is conscious that this will be an emotional time for the family and friends of the deceased. It is requested that the LGBT FR Scheme is informed of the death of an applicant and this notification is accompanied by a copy of the death certificate along with an appointed Point of Contact which the LGBT FR Scheme can use. It is requested that this information is emailed to the LGBT FR Scheme mailbox (LGBT-FRScheme@mod.gov.uk) as quickly as is practicable. The email should contain the applicant's full name (that which they used in their application), their service number, if known, and their date of birth.

43. Any LGBT FR payment in these circumstances, once all necessary due diligence has been completed to the scheme's satisfaction, will be paid to the deceased applicant's estate once the application has been processed and a decision and/or determination outcome has been made. These cases will follow the normal application process.

44. All applicants are encouraged to ensure that they have an up to date will in place.

45. If an applicant dies, the Point of Contact for the deceased's estate has the same right to appeal as the applicant would have had.

Other types of Prioritised Applications.

46. **Applications from applicants who are 80 years of age or older.** The LGBT FR Scheme will screen new applications for applicants who are in this priority category and will also prioritise extant applications when the applicant reaches their 80th birthday. These applications will be processed as priority applications.

²⁰ Successful applications will not be closed by the Scheme until the application window has been closed and any underspend (if there is any remaining money to distribute) has been distributed. If there is no underspend to be distributed, applications will be considered completed and closed if all processes, including appeals, have been completed and all authorised FR payment(s) have been made.

47. **Applications who have evidence to show they are experiencing severe financial hardship.** Applicants who can evidence severe financial hardship should contact the LGBT Financial Recognition Scheme detailing their severe financial hardship and include all supporting documentation. Cases will only be considered where an applicant has submitted an application form for a FR payment. The criteria are **that**:

- a. Court proceedings have started for the repossession of a home.
- b. Court proceedings have started for the eviction of a tenant.
- c. Court proceedings have started for bankruptcy.

48. **To be eligible for prioritisation on the grounds of severe financial hardship, court proceedings must have started²¹ either:**

- a. **since the applicant submitted their application to the FR Scheme or;**
- b. **within the 36 months prior to the date on which the applicant submitted their application. Older court proceedings will not be accepted.**

49. The contact details for the LGBT FR Scheme are:

²³ Applications submitted by a Legal Representative will be checked for validity as part of the application process.

²⁴ For online applicants, this will be part of the Defence Gateway registration form process to apply for access to the FR Scheme App which will sit on the Defence Gateway platform.

²⁵ The FRS App can only accept the following file types: .DOC, .DOCX, .JPG, .KEYNOTE, .MSG, .NUMBERS, .ODP, .ODS, .ODT, .PAGES, .PDF, .PNG, .PPT, .PPTX, .RTF, .TIF, .TIFF, .TXT, .XLS, and .XLSX.

process the application form. The applicant is encouraged to co-operate with the LGBT FR Scheme with any requests or correspondence as far as is reasonably practicable.

53. The LGBT FR Scheme reserves the right to:

- a. Request further information or evidence from the applicant; and
- b. To use application statistical data for reporting, application management and process monitoring purposes.

Supporting Medical Evidence

54. Where an applicant has based their application (in whole or in part) on medical conditions, the LGBT FR Scheme will need supporting medical evidence from a suitably qualified medical expert (GP, consultant, etc.) to support the application. The LGBT FR Scheme is acutely aware that some applicants may find the application process very troubling and will be extremely mindful and sensitive in this regard when and if the applicant needs to be approached about evidence or further evidence of their medical condition.

Additional Applications

55. If an applicant has applied for only one type of FR payment and wishes to at a later date apply for the other type of FR payment, they will need to contact the FR scheme to request an Additional Application form.

56. The contact details for the LGBT FR Scheme are:

Email:	LGBT-FRScheme@mod.gov.uk
Postal Address:	Freepost LGBT FR SCHEME

57. The Scheme Rules apply equally to Additional applications submitted. Additional applications can only be submitted during the period when the application window is open.

New or Changed Information

58. The applicant may make amendments to their application or submit further information in support of their application up to 2 weeks after the application submission date. After 2 weeks the application will enter the initial application check phase and cannot be changed online.

59. Once the application has entered the initial application check phase, any changes should be advised to the LGBT FR Scheme via:

- a. Email: LGBT-FRScheme@mod.gov.uk (the email title should be '**LGBT FR Scheme Application for *[insert your full name]***'),
- b. Letter: **Freepost LGBT FR SCHEME** (please put your return address and/or postcode on the back of the envelope).

60. Applicants are strongly advised that they should keep their personal and bank account information up to date. If a significant error is noticed in your application, action should be taken promptly by the applicant

61. **Change of Details of the Legal Representative.** If it is necessary to change the details of the Legal Representative, contact should be made, by email, with the LGBT FR Scheme (LGBT-FRScheme@mod.gov.uk) who will give advice on the process to follow, or the applicant can write to the LGBT FR Scheme at: **Freepost LGBT FR SCHEME** (please put your return address and/or postcode on the back of the envelope).

PART 4

Processing of Applications

LGBT DD Payments and LGBT Impact Payment Applications.

62. LGBT DD Payment and LGBT Impact Payment applications will be processed concurrently to avoid any potential delay.

63. **LGBT DD Payment Applications.** The process for determining an application submitted for a LGBT DD Payment is as follows:

- a. **LGBT DD Payment** applications will be assessed against defined criteria for eligibility for a LGBT DD Payment.
- b. The applicant will be informed in writing if they have been **successful** or **unsuccessful** for a LGBT DD Payment. A LGBT DD Payment decision letter will be sent to the applicant.
- c. Bank details submitted as part of the application will be confirmed via the LGBT DD Payment decision letter with the applicant before payment is made.

64. **Acceptance of a LGBT DD Payment.** Once the applicant has been informed that they have been successful for a LGBT DD Payment, they have 2 calendar months from the date of the decision letter to accept the LGBT DD Payment. No LGBT DD Payments will be paid until the applicant has responded to the LGBT FR Scheme decision letter and confirmed that their bank details are correct. If no response is received within 2 months of the date of the LGBT DD Payment decision letter, the application will be considered for suspension, and the applicant will receive a suspension notice letter and suspension rules will apply.

65. The LGBT FR Scheme reserves the right to withdraw a LGBT DD Payment decision if the application is suspended. If the decision to grant a LGBT DD Payment is withdrawn, the LGBT FR Scheme will notify the applicant in writing.

66. **LGBT Impact Payment Applications.** The process for determining an application submitted for a LGBT Impact Payment is as follows:

- a. **LGBT Impact Payment** applications will be determined by an Independent Panel against a tariff framework of impacts which may have been sustained.
- b. The applicant will be informed in writing if they have been **successful** or **unsuccessful** for a LGBT Impact Payment. A determination outcome letter will be sent to successful applicants detailing the monetary amount of the LGBT Impact Payment.
- c. Bank details submitted as part of the application will be confirmed with the applicant before payment is made.

67. **Acceptance of a LGBT Impact Payment.** The applicant will be informed of the determination outcome of a LGBT Impact Payment application via an determination outcome letter. The applicant has 2 calendar months from the date of the determination outcome letter to accept the LGBT Impact Payment. No payments will be made until the applicant has responded with their acceptance of the determination outcome and confirmed their bank details. If no response is made within 2 months of the date of the determination outcome letter, the application

will be considered for suspension. The applicant will receive a suspension notice letter and suspension rules will apply.

68. The LGBT FR Scheme reserves the right to withdraw a determination outcome of a LGBT Impact Payment if the application is suspended. If the LGBT Impact Payment granted is withdrawn the LGBT FR Scheme will notify the applicant in writing that the determination outcome for the LGBT Impact Payment has been withdrawn.

69. If the applicant wishes to appeal the LGBT Impact Payment granted, they are advised to read the rules on how to submit an Appeal and check if they have grounds to submit an Appeal.

The Independent Panel – LGBT Impact Payments

70. The LGBT FR Scheme has established an Independent Panel (IP) to review and make fair and equitable determinations for all LGBT Impact Payment applications. The IP will be independent of the MOD in terms of how they come to their determinations about applications presented before them. The IP will consist of suitably qualified and experienced individuals, including a Chair.

71. The IP will sit as often as the application numbers dictate in order to ensure that there is no undue delay in processing LGBT Impact Payment applications. The IP will be supported by a dedicated Secretariat who will co-ordinate the scheduling of IP sittings and applications which will be presented at each IP sitting for determination. LGBT Impact Payment applicants will be informed when their application is scheduled to be presented to an IP.

72. Each application will be presented to the IP as a case file with supporting documentation including that which has been sourced through MOD records, documentation and service personnel folders. The applicant is required to give their consent for the Scheme to access data held by the MOD; without this specific consent the application will not be able to be processed (see paragraph 41.c.(5)).

73. The IP Secretariat has a suitably qualified and experienced medical subject matter expert (Med SME) who is responsible, as necessary/applicable, for reviewing medical information and producing a report/summary for the IP when the application is considered. The Med SME may attend IP sittings in an advisory capacity, if required, to support the IP with medical related issues. The Med SME will only access MOD held medical records if the applicant has given their consent and the Med SME considers that it is necessary to do so to support the IP from the information supplied by the applicant in their application.

74. **Independent Panel Determination Outcome Letters.** The LGBT FR Scheme will notify the LGBT Impact Payment applicant in writing of the IP determination outcome of their application. The letter of determination outcome will be dated and will contain a summary from the IP as to how they came to their determination, details of the monetary amount of the LGBT Impact Payment and the applicant will be requested to confirm their bank account details.

Suspension Rules

75. The LGBT FR Scheme may place an application on **hold** (which could lead to a permanent suspension of the application) where the following conditions occur:

- a. Following a written request or communication by the LGBT FR Scheme, the applicant or their legal representative has, within the previous 2 months:

- (1) Failed to provide information which the FR Scheme has requested as necessary to progress the application form; or
- (2) Failed to respond to the LGBT FR Scheme when a request has been made from the LGBT FR Scheme (including responses to decision letters or determination outcome letters or appeal judgment letters).

b. **Application Being Placed on Hold - 2 Month Point²⁶.** At the 2 month point the LGBT FR Scheme will, where possible, notify the applicant (or legal representative, or point of contact for a deceased's estate) in writing that the application is being placed on **hold** and no further processing will take place until a response has been received. The FR Scheme will write to the applicant again at the 4 month point if the applicant has not responded by that point.

c. **Application Continuing to be Placed on Hold - 4 Month Point.** At the 4 month point the LGBT FR Scheme will, where possible, notify the applicant (or legal representative, or point of contact for a deceased's estate) in writing to advise that the application will be placed on permanent suspension if within the next 2 months a response is not received. The application will continue to be held on **hold** and no further processing will take place until a response have been received.

d. **Application Being Placed on Permanent Suspension - 6 Month Point .** At the 6 month point the LGBT FR Scheme will, where possible, notify the applicant (or legal representative, or point of contact for a deceased's estate) in writing to advise that due to no contact being made within the last 6 months the application has been placed on permanent suspension and will not be processed any further by the Scheme.

e. Whilst the application window remains open, the LGBT FR Scheme **can** remove a **hold** placed on an application or unsuspend a permanently suspended application if the applicant (or legal representative, or point of contact for a deceased's estate) provides the requested information or response which is necessary to progress the application. The application will continue to be progressed from the point at which it was originally **placed on hold**.

f. Where applicable, the **hold** escalation process will continue after the application window has closed up to the 6 month permanent suspension point.

g. Once the application window has been closed, all applications which have been permanently suspended will be reviewed and closed.

Payment of a LGBT FR Payment

76. **LGBT DD Payments – Making of Payments.** The LGBT FR Scheme will make LGBT DD Payments to successful applicants once they have responded to the LGBT DD Payment decision letter accepting the decision and confirming their bank account details (the decision letter will quote the bank account details which are held by the Scheme on its Application Processing and Management System (APMS)). No LGBT DD Payment will be made if an applicant has submitted an appeal against a LGBT DD Payment decision.

²⁶ The LGBT Financial Recognition Scheme – Application Status document: Part 1 Application Status Table, gives details about when an application is on **hold**. [Veterans of the LGBT Ban: Financial Recognition Scheme - GOV.UK](https://www.gov.uk/government/publications/veterans-of-the-lgbt-ban-financial-recognition-scheme)

77. When the applicant confirms acceptance of the LGBT DD Payment decision and their bank account details, the Scheme will then initiate a process to make a payment to the applicant.

78. **LGBT Impact Payments – Making of payments.** The LGBT FR Scheme will make LGBT Impact Payments to the applicant once they have responded with their acceptance to the LGBT Impact Payment IP determination outcome and confirmation of their bank account details (the determination outcome letter will quote bank account details held on the Scheme's Application Processing and Management System (APMS)).

79. Even if the applicant has already received a LGBT DD Payment, bank details will again need to be confirmed by the applicant before payment is made. No LGBT Impact Payment will be made if the applicant has submitted an appeal against a LGBT Impact Payment determination outcome.

PART 5

The Appeal Process

80. An applicant has a right to request an appeal against a LGBT DD Payment decision and a LGBT Impact Payment determination outcome. A generic Appeal Request form is at Annex D.

81. **Appeal Criteria.** An appeal can only be raised under one or more of the following criteria:

- a. There was a material procedural error in the processing of the application.
- b. The decision and/or determination was based on a material error as to the facts.
- c. There is new evidence, and it is likely that the decision and/or determination would have been materially different if the evidence had been made available to the person making the decision and/or the IP determining the application.

82. Appeals will only be accepted if they meet **at least one** of the criteria above. Appeals raised solely against the amount paid are outside of the appeal criteria. Applicants cannot raise an appeal after they have accepted a LGBT DD Payment and/or a LGBT Impact Payment, irrespective of whether the payment has not yet been paid in to their bank account.

83. The applicant must request an appeal within **2 calendar months** of:

- a. the date of the LGBT DD Payment decision letter if the appeal relates to a LGBT DD Payment;

and/or

- b. the date of the LGBT Impact Payment determination outcome letter if the appeal relates to a LGBT Impact Payment.

84. The **2 calendar month** period may be extended if there are compassionate or personal reasons why the applicant did not or could not raise the Appeal Request within 2 calendar months. The reason should be supported by evidence.

85. An applicant will be able to submit up to two Appeal Requests per FR payment type. If an applicant is informed that their first Appeal Request does not meet any of the appeal criteria, an applicant will have the option to submit a second Appeal Request. Applicants who wish to submit a second Appeal Request will get a further 2 weeks from the date of their first Appeal Request – Not Meeting Appeal Criteria letter to raise their second Appeal Request (but this will not include administrative processing time by the AB Secretariat). If an applicant is informed that their second Appeal Request does not meet any of the appeal criteria this will conclude the application and appeal process for the LGBT FRS Scheme and there will be no further opportunity to raise an Appeal Request for that FR payment type. At this point, applicants who had been found eligible for a LGBT FRS Payment will be invited to accept their original determination outcome.

86. Applicants are advised to ensure they submit their Appeal Request once they have collated all the available material they wish to submit in support of their Appeal Request. Appeal Requests will be held for 5 working days post submission to permit a period of time for the applicant to make any amendments. After this time period, the AB Secretariat will start the Appeal process and no further amendments (including the submission of any further evidence/documents) to the Appeal Request may be made.

87. If an Appeal Request meets the appeal criteria and proceeds to the AB for judgment, no further Appeal Requests for that FR Payment type can be submitted.

88. An applicant can only raise one appeal, which has met at least one of the appeal criteria, against a LGBT DD Payment decision.

89. An applicant can only raise one appeal, which has met at least one of the appeal criteria, against a LGBT Impact Payment determination outcome.

90. An applicant cannot raise an appeal against an Appeal Board (AB) judgment.

91. An Appeal Request should be submitted via:

a. **Online via the LGBT FR Scheme App.** There will be a separate section within the LGBT FR Scheme App where the applicant can submit their Appeal Request.

b. **Hard copy Appeal Request:** A hard copy of an Appeal Request form can be obtained from Veterans UK Helpline:

Email	Freephone (UK only)	Telephone (overseas)
veterans-uk@mod.gov.uk	0808 1914 2 18 [Note: Normal Service 8.00 am to 4.00 pm Monday to Friday]	+44 1253 866 043 [Note: Normal Service 8.00 am to 4.00 pm Monday to Friday]

c. Please send a completed Appeal Request form with any supporting documentation to the LGBT FR Scheme. Remember to take a copy of your Appeal Request form and only send copies of any supporting evidence or information (**Note:** please do not send the LGBT FR Scheme any original documents).

Freepost LGBT FR SCHEME

Please put your return address and/or postcode on the back of the envelope.

92. If an applicant submits an appeal which meets the appeal criteria, the application is suspended under the category of 'appeal' and the application will remain **"Suspended - Appeal"** until the judgment from the Appeal Board (AB) is known. Once the AB judgment is known, the application will then be unsuspended, and the applicant will be informed of the Appeal judgment. The applicant will be required to respond to the AB judgment letter for the application to continue within either the LGBT DD Payment and/or LGBT Impact Payment process from which it was suspended.

93. If the Appeal Request does not meet the criteria for an appeal, the applicant will be informed in writing by the AB Secretariat.

94. The AB Secretariat will prepare any eligible appeal for the AB as an addendum to the original case file, including the Appeal Request and, as necessary, any additional evidence or information.

The AB Secretariat will schedule the Appeal Request for the AB to review the appeal as quickly as possible. The applicant will be informed when their Appeal Request is being presented to the AB²⁷.

95. All Appeal Requests reviewed by an AB will be issued an Appeal judgment letter within 3 months from the date of the Appeal Request being confirmed as meeting at least one or more of the Appeal criteria²⁸.

96. **All applicants who qualify under the prioritisation criteria** will be prioritised throughout the appeals process.

97. The AB judgment will be one of the following:

- a. Uphold the current LGBT DD Payment decision and/or LGBT Impact Payment determination outcome;
- Or
- b. Award a **new AB** judgment.

98. The AB will sit as frequently as the number of appeals submitted requires of it, to ensure a swift process to review Appeal Requests without undue delay. The AB Chair will inform the applicant in writing of the Appeal judgment.

99. Once the AB Chair has informed the applicant, the application then reverts to the same position in the LGBT DD Payment and/or LGBT Impact Payment process where it was when the appeal was submitted. The application will have the suspended status removed.

100. **Withdrawal of an Appeal Request.** The applicant may, in writing, withdraw their request for an appeal, **in full or in part**, at least 10 working days before the Appeal Request is presented to the AB (**actions to amend an Appeal Request rather than withdraw in part an Appeal Request, cannot be made under this provision**). Submissions to withdraw an Appeal Request should be actioned as follows:

- a. **Online applicants:** Online applicants will be able to withdraw their Appeal Requests via a separate process on the Scheme App.
- b. **Hard Copy Appeal Request Applicants:**

(1) **Email:** Please send an email requesting to withdraw an appeal to: LGBT-FRScheme@mod.gov.uk. Please title the email '**LGBT FR Scheme - Appeal Withdrawal Request [insert your full name]**'. Please make it clear that you wish to withdraw your Appeal Request.

(2) **Letter:** Please send a letter requesting to withdraw an appeal to the FREEPOST address below. Please make it clear that you wish to withdraw your Appeal Request.

Freepost LGBT FR SCHEME

²⁷ Appeal sitting schedules may change depending on prioritisation of terminally ill applicants and unavoidable and unforeseen circumstances. Applicants will be kept informed of any changes to the scheduling of their Appeal Requests.

²⁸ A 3 month response time is the FR Scheme's planned timeline for Appeal Judgments; unless there is occasion to correspond with the Appeal Request applicant for further clarification or more information about their appeal. In these circumstances the FR Scheme reserves the right to exceed the 3 month period but will still endeavour to issue an Appeal Judgment as quickly as the process allows.

Please put your return address and/or postcode on the back of the envelope.

101. **Withdrawal of Appeal Request in full.** If the applicant withdraws an Appeal Request **in full**, their application will revert to the position it was before it was suspended due to the appeal. An Appeal Request withdrawal in full is to be made at least 10 working days before the Appeal Request is presented to the AB; if so, all previously issued decisions and/or determinations will remain extant. If not, normal Appeal Board processes will be followed.

102. **Withdrawal of Appeal Request in part.** If the applicant withdraws their request for an Appeal **in part** the AB Secretariat will ensure that:

- a. The applicant will be informed by the AB Secretariat when their Appeal Request is scheduled to be presented to the AB.
- b. The applicant can only make **one request** for a withdrawal **in part** of their appeal.
- c. The Appeal Request withdrawal in part is to be made at least 10 working days before the Appeal Request is to be presented to the AB.
- d. Normal Appeal Board processes will follow.

103. There is no right to appeal an Appeal judgment.

104. There is no right to appeal an underspend payment.

PART 6

Governance and Additional Scheme Rules

105. **Governance.** The MOD will ensure that an appropriate individual/Senior Responsible Officer (SRO) has been appointed who will have oversight of the LGBT FR Scheme. This individual/SRO will, at such times as required, report to the Secretary of State for Defence and/or Minister for Veterans and People and the MOD Permanent Secretary on the operation of the LGBT FR Scheme. The Public Accounts Committee has recommended the LGBT FR Scheme be audited by the National Audit Office (NAO)²⁹.

106. **Governance Process.** The LGBT FR Scheme has defined processes for each phase of the Scheme. Each application will be processed in accordance with these defined processes. These processes and the guidance which is put in place for decision-makers creates a framework to ensure clarity of process, consistency of delivery for each applicant, and fair and equitable decision-making. Case files will be compiled for each eligible applicant and all decisions or determinations will be captured within the Scheme's Application Processing and Management System (APMS).

107. Determinations for LGBT Impact Payment applications will not be taken by the MOD; as previously outlined, these applications will be reviewed and determined by an Independent Panel (IP). The Scheme has an Appeal process which is the responsibility of a separate Appeal Board.

108. **LGBT DD Payment Applications.** The LGBT FR Scheme's design ensures that LGBT DD Payment applicants follow a prescribed procedural path to ensure fairness and equity of processing and decision making for all applications. Eligibility checks for LGBT DD Payment are in place to confirm both those eligible for a LGBT DD Payment and those who are assessed as ineligible. All LGBT DD Payment decisions will be reviewed before the applicant is notified of the decision with regard to their LGBT DD Payment application. Applicants will be informed in writing.

109. All LGBT DD Payment applications will be tracked and monitored within an LGBT FR Scheme Application Processing and Management System (APMS). This system will be able to provide a variety of statistical and progress data as required for monitoring, reporting and audit purposes.

110. **LGBT Impact Payment Applications.** The determinations of the IP will be tracked and recorded for monitoring, reporting and audit purposes. The IP Chair is responsible for the compliance and governance of the IP process and is accountable to the MOD for ensuring that the IP members at all times undertake their duties in a fair and equitable manner. MOD staff are not permitted to make any changes to the LGBT Impact Payment determination. Applicants will be informed in writing of the IP determination outcome.

111. **Appeal Board.** The judgments of the AB will be tracked and recorded for monitoring, reporting and audit purposes. The AB Chair is responsible for the compliance and governance of the AB process and is accountable to the MOD for ensuring that the AB members at all times undertake their duties in a fair and equitable manner. MOD staff are not permitted to make any changes to an AB judgment. Applicants will be informed in writing of the AB judgement.

112. **Prior Claims against the MOD.** The LGBT FR Scheme will not seek to determine if an individual applicant has already received money from the MOD in relation to their discharge or

²⁹ Public Accounts Committee letter to Comptroller and Auditor General NAO dated 25 Jan 24.

dismissal from service which related to the Ban, as this does not fall within the object of the scheme.

113. **Criminality.** The LGBT FR Scheme will not seek further information about an individual's background for any criminal record post the date they were no longer in Service, as this does not fall within the object of the scheme.

114. **Grounds for Reducing or Declining to make an LGBT FR Scheme payment.** Any applicant is not entitled to more than one of each Financial Recognition payment type within the LGBT FR Scheme. The LGBT FR Scheme reserves the right to reduce, decline to authorise or recover a FR payment if such a duplication is discovered.

115. **Postage Costs.** The LGBT FR Scheme will not reimburse postage costs incurred by the applicant. Applicants are encouraged to submit their applications online via the LGBT FR Scheme online application process. Hard copy applicants are advised to use **Freepost LGBT FR SCHEME** to avoid postage costs (please put your address/postcode on the back of **Freepost LGBT FR SCHEME** envelopes) or send an email to the FR Scheme: LGBT-FRScheme@mod.gov.uk.

Withdrawal of an Application (in full or in part).

116. The applicant may, in writing, withdraw their application from the LGBT FR Scheme, or any part of their application. The applicant can only make one withdrawal in part to their application for a LGBT DD Payment and/or a LGBT Impact Payment.

117. Withdrawal of application requests should be actioned as follows:

- a. **Online via the Scheme App:** There will be a section which will permit an applicant to withdraw their application **in full** on the Scheme App.
- b. **Email:** Please send an email requesting to withdrawal your application, in full or in part, to: LGBT-FRScheme@mod.gov.uk. Please title the email '**LGBT FR Scheme - Withdraw of Application [insert your full name]**'. Please make it clear that you wish to withdraw your application.
- c. **Letter:** Please send a letter requesting a withdrawal of your application to the FREEPOST address below. Please make it clear that you wish to withdraw your application.

Freepost LGBT FR SCHEME

Please put your return address and/or postcode on the back of the envelope.

118. Any decision and/or determination in force at the time that the application is withdrawn, will also be withdrawn. Where only part of the application is withdrawn, any decision and/or determination in respect of **that part** of the application, which is withdrawn, will also be withdrawn. The LGBT FR Scheme reserves the right to re-process the application where it has been withdrawn **in part**.

119. If the applicant has already received a LGBT DD Payment in respect of their application when it is withdrawn for a LGBT DD Payment, that payment will be repayable to the LGBT FR Scheme.

120. If the applicant has already received a payment of any kind (LGBT DD Payment and/or LGBT Impact Payment) in respect of their application when it is withdrawn **in full**, payment(s) will be repayable to the LGBT FR Scheme.

121. Fraud and recording a decision to reduce or decline to make an FR decision or determination. A decision to reduce or decline to make an LGBT FR payment will be recorded within a letter to the applicant.

122. Eligibility for an LGBT FR will be considered on a reverse burden of proof basis³⁰ to take into account the potential difficulties in evidencing the details of a discharge/dismissal from HM Armed Forces, or taking at face value the experiences as detailed within applications for a LGBT Impact Payment. The MOD is aware that with a potentially low evidential threshold this could result in fraudulent applications. The delivery design model has built in a number of confirmatory checks and controls to mitigate, where possible, the risk of fraudulent claims.

123. Therefore, the LGBT FR Scheme will decline to make a LGBT FR payment if it suspects or is satisfied that the applicant has, in any part of their application, dishonestly made a false representation or dishonestly withheld information with the intention of obtaining an LGBT FR payment to which they would not otherwise be entitled. The LGBT FR Scheme reserves the right to report potentially fraudulent activity to the police.

Repayment of a FR Payment.

124. If the LGBT FR Scheme receives evidence after an FR payment has been made that³¹ the applicant made a false representation or withheld information and as a result obtained a FR payment to which they would not otherwise be entitled, the LGBT FR Scheme may give written notice to the applicant of the intention by the MOD to recover the FR payment (in whole or in part) from the applicant.

125. The applicant may make representations within 28 days of the notice of repayment from the LGBT FR Scheme.

126. After considering the evidence and any representations made to the LGBT FR Scheme in the circumstance of a pending repayment notice, the scheme will either:

- a. Confirm the extant decision and/or determination outcome;

Or

- b. Issue a repayment demand (which requires repayment in whole or in part of the money paid under the decision and/or determination in force).

127. The LGBT FR Scheme will give written notice of that result to the applicant. **Note:** The Limitations Act 1980 will apply for recoveries of LGBT FR payments.

128. **Data Policy.** The MOD is committed to protecting the privacy and security of your personal data and the [MOD Privacy notice](#) explains your rights and provides information that you are entitled to under UK data protection legislation. It is important that you read this notice, together with any other privacy notice that may be provided when MOD collects or processes personal information about you so that you are aware of how and why we are using such information. The [MOD Personal Information charter](#) contains the standards you can expect when we ask for, hold,

or share your personal information and your rights under the law. Data will only be retained for the duration of the Scheme and will be deleted on closedown of the project by 30 June 2027 at the latest.

LGBT FINANCIAL RECOGNITION SCHEME - GENERIC APPLICATION FORM AND NOTES

Online Applications.

The online application form will be formatted differently to the format as laid out in this Annex, but it will collect all the changes to information and requests for personal details as the application below. The online application process will be divided into two steps:

- **Step 1:** On the LGBT Financial Recognition Scheme Gov.UK page the applicant will be find a link to start the application process ([Link](#)). The link will take you to a Defence Gateway registration form where you will provide information such as your name when in service, your name now (if different), your service number and your email. You will also be asked to confirm that you consent to your personnel records being accessed and verify that you served during the period of the Ban. The LGBT FR Scheme will send the applicant, via an email, details about their Defence Gateway account and how to access the Defence Gateway via a link which will allow them access to a bespoke App (known as the LGBT FR Scheme App) on the Defence Gateway platform.
- **Step 2:** The applicant signs in to their Defence Gateway account, which will enable access to the LGBT FR Scheme App, and completes their application and submits it.

For online application forms, an online messaging system through the Scheme App will be used to contact the applicant, together with email contact. This enables the Scheme to correspond with the applicant at various points as the application is processed. The applicant will also be able to monitor progress of their application through the Scheme App. If an applicant has applied online, this will be one of the primary methods, along with emails, by which the Scheme will contact the applicant.

Hard Copy Applications.

If the applicant would prefer to submit a hard copy application they should contact **Veterans UK Helpline** who will send out a hard copy application form with a Freepost envelope:

Email	Freephone (UK only)	Telephone (overseas)
veterans-uk@mod.gov.uk	0808 1914 2 18 [Note: Normal Service 8.00 am to 4.00 pm Monday to Friday]	+44 1253 866 043 [Note: Normal Service 8.00 am to 4.00 pm Monday to Friday]

Application Information

Applications for FR payments will be processed in accordance with the LGBT FR Scheme Rules. No applications will be accepted if they are not on an official LGBT FR Scheme application form.

Applications may be submitted by eligible individuals who have served in HM Armed Forces, including Volunteer and Regular Reserves, and were affected by the Ban (1967 to 2000). Individuals cannot apply if their service was in the Armed Forces of another country or if they

served alongside the UK Armed Forces, for example, in the Royal Australian Air Force or Royal Canadian Navy.

An application should be completed as fully as possible to avoid delays in processing. The LGBT FR Scheme will not be able to move your application forward whilst it is seeking clarity or confirmation of information or details within the application form. For hard copy applications, if the applicant cannot fit all the information on the application form, the applicant can send extra pages as needed. Please ensure that extra pages are referenced with the applicant's full name and service number.

If you have any questions regarding this application form, please contact Veterans UK Helpline via:

Email	Freephone (UK only)	Telephone (overseas)

Welfare Support - Getting Counselling, Support or Legal Assistance

During the application process, you will be asked for information about the Ban which relates to treatment you encountered whilst serving. You may have to describe in detail certain events and how they have affected you.

Responding to questions contained in this form may be disturbing and trigger painful memories. The MOD and the LGBT FR Scheme do not wish to cause you further distress and so we suggest that you proceed slowly and that you read and complete this form in a safe place. If you feel anxious or unwell when you think about your experience, we encourage you to seek support from someone, such as a family member, counsellor, a health care professional, friend, or someone else from your community.

You are free to obtain legal assistance/advice with respect to submitting this application form if you wish, but you are not required to do so. Any legal fees incurred will be the sole responsibility of the applicant/individual who engaged/retained the legal services.

All applicants are encouraged to ensure that they have an up to date will in place.

Supporting Documents

When you submit your application form, please also provide any relevant documents that support your application. It is recognised that you may not have any documentation relating to the Ban or the events which impacted you; the submission of supporting documents is not mandatory (less documentation to support an applicant who is terminally ill). However, providing as much information as possible through your accounts and any supporting documents or evidence that may be available to you, may be of assistance in assessing your application. Of particular assistance may be documents or evidence that:

- provide details of your service (postings, job titles, positions, ranks etc.);

- confirm the details of the Ban which related to events you experienced;
- provide names of witnesses to any relevant incidents;
- detail the injuries or harm you experienced (like physical or psychological medical records);
- confirm if you raised a complaint at the time of the events or incidents;
- and/or
- provide any information regarding the impacts of your experiences and efforts to recover from those impacts.

Evidence Of Terminal Illness. If you have a terminal illness diagnosis, then the FR Scheme will require supporting documentary evidence.

Providing Consent to Release Information

Within the application form you will also be asked to provide written consent confirming that you allow the LGBT FR Scheme access to relevant documents and records held by the MOD to be used in order to provide more information and further evidence in addition to your application. All documents accessed by the LGBT FR Scheme will be handled and managed in accordance with extant MOD policy.

Please Note: If consent is not given to the Scheme to review records held by the MOD, the Scheme will be unable to process the application. For online applicants, this consent is given as part of the Defence Gateway Registration process.

The Ministry of Defence (MOD) is committed to protecting the privacy and security of your personal data and the [MOD Privacy notice](#) explains your rights and provides information that you are entitled to under UK data protection legislation. It is important that you read this notice, together with any other privacy notice that may be provided when MOD collects or process personal information about you so that you are aware of how and why we are using such information. The [MOD Personal Information charter](#) contains the standards you can expect when we ask for, hold, or share your personal information and your rights under the law.

Fraud

The LGBT FR Scheme will decline to make a recognition payment if it is satisfied that the claimant has, in any part of their application, dishonestly made a false representation or dishonestly withheld information with the intention of obtaining a Financial Recognition payment to which they would not otherwise be entitled.

The LGBT FR Scheme may grant a recognition payment, in whole or in part, to an applicant if it is satisfied that it would be unjust not to do so.

If the LGBT FR Scheme, in the course of administering the scheme, considers that an offence may have been deliberately committed by an applicant or any other person, it must and will notify the police.

Financial Recognition – Payments

The details of the LGBT Financial Recognition Payments can be found at **Annex B** to the LGBT FR Scheme Rules.
