### **The Landlord and Tenant Act 1985**

#### **Section 18**

(1) In the following provisions of this Act “service charge” means an amount payable by a tenant of a dwelling as part of or in addition to the rent –

- (a) which is payable, directly or indirectly, for services, repairs, maintenance, improvements or insurance or the landlord’s costs of management, and
- (b) the whole or part of which varies or may vary according to the relevant costs.

(2) The relevant costs are the costs or estimated costs incurred or to be incurred by or on behalf of the landlord, or a superior landlord, in connection with the matters for which the service charge is payable.

(3) For this purpose –

- (a) “costs” includes overheads, and
- (b) costs are relevant costs in relation to a service charge whether they are incurred, or to be incurred, in the period for which the service charge is payable or in an earlier or later period.

#### **Section 19**

(1) Relevant costs shall be taken into account in determining the amount of a service charge payable for a period –

- (a) only to the extent that they are reasonably incurred, and
- (b) where they are incurred on the provision of services or the carrying out of works, only if the services or works are of a reasonable standard; and the amount payable shall be limited accordingly.

(2) Where a service charge is payable before the relevant costs are incurred, no greater amount than is reasonable is so payable, and after the relevant costs have been incurred any necessary adjustment shall be made by repayment, reduction or subsequent charges or otherwise.

#### **Section 20**

(1) Where this section applies to any qualifying works or qualifying long term agreement, the relevant contributions of tenants are limited in accordance with subsection (6) or (7) (or both) unless the consultation requirements have been either—

- (a) complied with in relation to the works or agreement, or
- (b) dispensed with in relation to the works or agreement by (or on appeal from) the appropriate tribunal.

(2) In this section “relevant contribution”, in relation to a tenant and any works or agreement, is the amount which he may be required under the terms of his lease to

contribute (by the payment of service charges) to relevant costs incurred on carrying out the works or under the agreement.

(3) This section applies to qualifying works if relevant costs incurred on carrying out the works exceed an appropriate amount.

(4) The Secretary of State may by regulations provide that this section applies to a qualifying long term agreement—

(a) if relevant costs incurred under the agreement exceed an appropriate amount, or

(b) if relevant costs incurred under the agreement during a period prescribed by the regulations exceed an appropriate amount.

(5) An appropriate amount is an amount set by regulations made by the Secretary of State; and the regulations may make provision for either or both of the following to be an appropriate amount— (a) an amount prescribed by, or determined in accordance with, the regulations, and

(b) an amount which results in the relevant contribution of any one or more tenants being an amount prescribed by, or determined in accordance with, the regulations.

(6) Where an appropriate amount is set by virtue of paragraph (a) of subsection (5), the amount of the relevant costs incurred on carrying out the works or under the agreement which may be taken into account in determining the relevant contributions of tenants is limited to the appropriate amount.

(7) Where an appropriate amount is set by virtue of paragraph (b) of that subsection, the amount of the relevant contribution of the tenant, or each of the tenants, whose relevant contribution would otherwise exceed the amount prescribed by, or determined in accordance with, the regulations is limited to the amount so prescribed or determined.

### **Section 20ZA - Consultation requirements: supplementary**

(1) Where an application is made to the appropriate tribunal for a determination to dispense with all or any of the consultation requirements in relation to any qualifying works or qualifying long term agreement, the tribunal may make the determination if satisfied that it is reasonable to dispense with the requirements.

(2) In section 20 and this section— “qualifying works” means works on a building or any other premises, and “qualifying long term agreement” means (subject to subsection (3)) an agreement entered into, by or on behalf of the landlord or a superior landlord, for a term of more than twelve months.

(3) The Secretary of State may by regulations provide that an agreement is not a qualifying long term agreement—

(a) if it is an agreement of a description prescribed by the regulations, or

(b) in any circumstances so prescribed.

(4) In section 20 and this section “the consultation requirements” means requirements prescribed by regulations made by the Secretary of State.

(5) Regulations under subsection (4) may in particular include provision requiring the landlord— (a) to provide details of proposed works or agreements to tenants or the recognised tenants’ association representing them,

(b) to obtain estimates for proposed works or agreements,

- (c) to invite tenants or the recognised tenants' association to propose the names of persons from whom the landlord should try to obtain other estimates,
- (d) to have regard to observations made by tenants or the recognised tenants' association in relation to proposed works or agreements and estimates, and
- (e) to give reasons in prescribed circumstances for carrying out works or entering into agreements.

*(And in the case of works to which section 20D applies (remediation works), regulations under subsection (4) may also include provision requiring the landlord—*

- (a) to give details of the steps taken or to be taken under section 20D(2),*
- (b) to give reasons about prescribed matters, and any other prescribed information, relating to the taking of such steps, and*
- (c) to have regard to observations made by tenants or the recognised tenants' association in relation to the taking of such steps.*

*(6) Regulations under section 20 or this section—*

- (a) may make provision generally or only in relation to specific cases, and*
- (b) may make different provision for different purposes.*

*(7) Regulations under section 20 or this section shall be made by statutory instrument which shall be subject to annulment in pursuance of a resolution of either House of Parliament.)*

### **Section 20C - Limitation of service charges: costs of proceedings.**

(1) A tenant may make an application for an order that all or any of the costs incurred, or to be incurred, by the landlord in connection with proceedings before... the First-tier Tribunal... are not to be regarded as relevant costs to be taken into account in determining the amount of any service charge payable by the tenant or any other person or persons specified in the application.

(2) The application shall be made—

- (a) in the case of court proceedings...
- (b) in the case of proceedings before the First-tier Tribunal, to the tribunal;
- (c) in the case of proceedings before the Upper Tribunal...

(3) The court or tribunal to which the application is made may make such order on the application as it considers just and equitable in the circumstances.

### **Section 20B - Limitation of service charges: time limit on making demands.**

(1) If any of the relevant costs taken into account in determining the amount of any service charge were incurred more than 18 months before a demand for payment of the service charge is served on the tenant, then (subject to subsection (2) ), the tenant shall not be liable to pay so much of the service charge as reflects the costs so incurred.

(2) Subsection (1) shall not apply if, within the period of 18 months beginning with the date when the relevant costs in question were incurred, the tenant was notified in writing that those costs had been incurred and that he would subsequently be required under the terms of his lease to contribute to them by the payment of a service charge.
