**S62A/2025/0133 and 25/14649/PINS Stoke Lodge Playing Fields, West Dene,  
Shirehampton, Bristol BS92BH**

**I am writing to object to Cotham School's proposal to install blanket surveillance at Stoke Lodge Playing Fields with eight, six metre-high CCTV towers with three cameras at the top.**

**I think that this is an intrusion into people's privacy and their enjoyment of these playing fields and, in particular, for those living around the perimeter of Stoke Lodge.**

**When I was at Fairfield School I used to play sport on Stoke Lodge and I have lived near it for a long time. It was a beautiful space which many people have enjoyed over the years, and it is a great shame that it is gradually being spoiled not only for us but for future generations.**
