Dear PINS Team,

When I sent you BCAP's representations yesterday, these endorsed the representations of both the Bristol City Council Conservation Section and representations on behalf of the We Love Stoke Lodge

- Representations concerning Cotham School's heritage statement.

In fact we should have referred to:

1. The original representations of the Bristol City Council Conservation Section which was published on the [Council's planning portal on 28 November](#) last as 25_14649_PINS-CONSERVATION_CONSULTEE_COMMENTS-4087159, a copy of which I attach. This document has since been deleted from the planning portal site. You will note that this is different from the version sent to you - [Bristol City Council - Conservation comments](#) - which was published yesterday.
2. The [Helen Powell 1](#) statement 'Representations concerning Cotham School's heritage statement'.

Please bring this to the attention of the Inspector.

I apologise for my oversight.

Regards

Mark CD Ashdown
