Product Description	A steam iron with 2 component parts, an iron part and a steam generator available in several colours.
Country of Origin	Indonesia
Counterfeit	No
Risk Level	Medium
Risk Type	Burns
Risk Description	<p>The product presents a risk of burns to the user as it has been identified that the welding seam of the boiler can split open.</p> <p>The failure of the welding seam leads to the escape of hot steam which can burn the user.</p> <p>The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.</p>
Corrective Measures	<p>The product has been recalled from end users. We recommend that owners stop using the product immediately and unplug it from mains power supply.</p> <p>A modification programme is underway for repairs and refunds.</p> <p>For further information and to register your product, access the Philips recall page at the following link: Garment Care Perfectcare 8000 9000 Elite Recall Philips</p>
