for Environment & Decommissioning

OSPAR annual reporting on the phase out of offshore chemical discharges which are, or contain, hazardous substances

Please visit the link below which provides information about OSPAR annual reporting requirements regarding the phase-out of offshore chemicals which are, or contain, hazardous substances. There are a covering letter and related guidance on how to complete and submit the required Annual Report for Substitution Chemicals for 2025 and the associated Technical Justification Report. The completed reports should be submitted to OPRED by **27 February 2026**.
