| Risk Type | Choking and Injuries |
| Risk Description | <p>The product presents a serious risk of choking as the keyring can detach from the product creating a small part. Small parts pose a choking hazard to young children, particularly those under 36 months of age who have a natural tendency to explore objects by placing them in their mouths. If the keyring is removed, a sharp metal point is exposed, which may present a risk of injuries to the user. Improvements are also required to product labelling and marking.</p> <p>The product does not meet the requirements of the Toys (Safety) Regulations 2011.</p> |
| Corrective measures | <p>The product is no longer available for sale.</p> <p>Consumers are advised to stop using the product immediately and seek redress from their place of purchase.</p> |
