Re: Stoke Lodge Playing Fields, West Dene, Shirehampton, BS9 2BH

I am writing as a local resident to object to the above planning application for the installation of 8 tall CCTV poles.

These industrial poles will be extremely intrusive and unsympathetic to the existing heritage parkland of Stoke Lodge. This level of surveillance will be unsettling for residents and users of this green space which is designated as Important Open Space.

This application makes no reference to the public rights of way which I use regularly as a local resident.

There is no OFSTED statutory requirement for fences or cameras. An unnecessary expense.

I respectfully request that the application be refused.
