I would like to object to the planning application that Cotham school has made to erect 8 CCTV towers each with 3 cameras on my local playing fields.

Having spent my life teaching in Bristol LA schools and our children having attended Cotham school, I am appalled at this application.

It is totally unnecessary ( as is the fence) and I would urge the Inspectorate to refuse this application.

If a public hearing should be arranged, I would wish this objection to be taken into account, but would not wish to make an oral submission due to [REDACTED].

Yours Sincerely

Mrs GhyslaineHobbs
