Proposal: Installation of 8no.CCTV poles and cameras

To whom it may concern

I am writing to object to the aforementioned application on the grounds set out by Planning Ventures on behalf of the WE Love Stoke Lodge Community Group in their objection letter which you have already received.

They have raised a number of issues that I also have serious concerns about, namely Heritage Harm, Visual Impact, Enviromental Impact, Privacy concerns, Psychological Impact among many other legal issues relating to the application.

The planning application should be refused.

Yours sincerely

Andrew Jefferson
