We are writing to object to the erection of 8 camera towers on the playing fields at Stoke Lodge.

It makes this once lovely countrified refuge for the community seem like a section of a prison or detention centre for undesireables!

We cannot imagine what crimes we are supposed to be about to commit, as local residents just needing a quiet walk.

We wonder what on earth the students are being told – on one occasion I stopped to watch a game of rounders taking place, and a couple of young children came up to the fence and shouted “PERV”. It was horrible. We feel the waste of money and the deliberate determination to fence out the community goes totally against the terms of the Lease, against the previous long years of goodwill from the community, and against the well-being of the students. We appeal to you to throw out these unpleasant and unnecessary cameras and to disregard the untruthful statements of the Head and Governors, who ought to be thoroughly ashamed of themselves.

Yours sincerely,  
Korky and Anni Davey
