Product Description	Road bicycle under the Orbea Avant model range. Bicycles include a carbon fork manufactured in Cambodia.
Country of Origin	Spain (completed product); Cambodia (carbon fork)
Counterfeit	No
Risk Level	Not provided
Risk Type	Injuries
Risk Description	<p>The product presents a risk of injuries as the suspension forks can fail prematurely and crack, break or separate during use. The fork is a critical load-bearing component of the complete bicycle, and inadequate structural integrity may compromise steering and control during normal use, potentially leading to a loss of control and risk of injury.</p> <p>The product does not meet the requirements of the General Product Safety Regulations 2005.</p>
Corrective Measures	<p>The product has been withdrawn from the market and recalled from end users.</p> <p>Orbea recommend that consumers stop using the product immediately and visit <a href="#">Avant Support Centre — Orbea</a> to check whether their bike fork is affected.</p> <p>Please contact <a href="mailto:Avantsupport@orbea.com">Avantsupport@orbea.com</a> or (0044) 20 3468 4087 for further information and assistance.</p>
