# Enforcement Undertaking

| Model or Type of charge point   | Breach(es)                  | Action(s)                       | Completion Date |
|---|-----------------------------|---------------------------------|-----------------|
| <b>Action(s) to secure that the breach(es) do not continue or recur.</b>  |                             |                                 |                 |
| Terra AC Wallbox  | Off-peak charging 10 and 11 | New firmware and update to apps | 31 July 2022    |
| <b>Action(s) to secure the restoration of the position, in so far as possible, to what it would have been if the breach(es) had not been committed.</b>             |                             |                                 |                 |
| No actions offered.   |                             |                                 |                 |
| <b>Action(s) (including the payment of any sums of money) to benefit any third parties affected by the breach(es).</b>  |                             |                                 |                 |
| No actions offered.   |                             |                                 |                 |
| <b>How the statement of compliance will reflect the areas of compliance with the Regulations, and any areas of non-compliance, for the respective charge point:</b> |                             |                                 |                 |
| No actions offered.   |                             |                                 |                 |

The following installers/distributors have Enforcement Undertakings in place for charge points within scope of the actions outlined above, which have now expired.

| Name of business             | Company Registration No. (if applicable) | Registered Address  | Date Enforcement Undertaking in effect |
|------------------------------|--|---|--|
| Edmundson Electrical Limited | 2667012                                  | Edmundson House<br>Tatton Street<br>Knutsford<br>WA16 6AY | 01/04/2023 to<br>31/12/2023            |
