Inspector N Robinson BA (Hons) MA MRTPI has been appointed to determine the application.

Following a [procedural review](#) the application is to be determined on the basis of representations in writing as it does not raise issues which cannot be clearly understood from the written submissions. We'll update the procedure on the application website page shortly.

A site visit will take place in advance of the application being determined.

The Inspector does not require any further information and the decision will be issued as soon as possible.

Kind regards
Leanne
