

EWCO Declaration Form

You can find information and guidance about the England Woodland Creation Offer's (EWCO) rules, requirements, payments, and how to make an application (including for a partnership) in the [How the England Woodland Creation Offer works](#) guidance on the EWCO GOV.UK page. For more information on how to apply please visit [Guidance on how to apply for EWCO - GOV.UK](#).

How to use this form

Please ensure you have downloaded the [latest version of this form](#) before completion.

If you do not make the required declarations, or provide any countersignatures that may be required, we will reject your application.

We are required to collect several personal details of the applicant, land agent, or landlord to be able to process your application. Further information on how we will use your information and your rights under the UK's data protection legislation can be found in this form.

You can fill in this form online on your internet browser or download and complete it.

You must submit this form alongside the EWCO Application Form, an application map, and any other supporting documents as applicable. Please see the EWCO Application Submission Checklist at the end of this form for guidance.

Completed applications should be submitted by email to:
EWCO@forestrycommission.gov.uk

Hard copies of applications and additional supporting information can also be sent to:

Section 1 - Data protection and release of information

Please read the below statements and ensure you understand how the Forestry Commission will handle any information submitted as part of your EWCO application. As lead applicant, you are responsible for informing any third parties of how the Forestry Commission will handle information relevant to them.

Data Protection Act 2018

The Forestry Commission (FC) will use any information you provide to support the administration of the scheme. Without your personal information, we will not be able to process your application. The FC or its appointed agents may also use it, in keeping with the safeguards of the Data Protection Act 2018, in the following ways:

- For publication on the FC's Public Register (the entry on the Register will include the name of the property, value and timing of grants applied for).
- For communication with other organisations including Defra, other government departments (and their agencies) and local authorities in the administration of the application and any subsequent EWCO Agreement.
- For producing operational information and statistics that do not identify individuals.
- To contact applicants or their agents in connection with occasional research aimed at improving the services that the FC provides.

Your personal information will be stored securely in the UK or EU and will be kept for at least seven years after either final payment of Grant, the last financial transaction, or after the application if withdrawn or rejected. If post payment obligations apply, your personal information will be stored until your obligations under your EWCO Agreement expire. Your personal information will be shared with Defra, and members of the Defra group and other Government Departments for the purpose of administering and processing your application to the Fund.

You have a number of rights under the Data Protection Act 2018, which are listed in full on the Information Commissioner's website. You have the right to lodge a complaint with a supervisory authority, the Information Commissioners' Office, on their website: <https://ico.org.uk/>.

The Forestry Commission is a data controller under the Data Protection Act 2018. You can read our [Personal information charter](#) online.

Release of information

The Forestry Commission is required to release information, which may include personal data and commercial information, to comply with the Environmental Information Regulations 2004 and the Freedom of Information Act 2000. This may include details

such as name and address of the applicant, property, grant recipient, type of grant and grant value. However, the Forestry Commission will not permit any unwarranted breach of confidentiality nor will it act in contravention of its obligations under the Data Protection Act. The Forestry Commission may also publish additional information on its own website.

Section 2 – Lead Applicant Declarations

1. The lead applicant has read the [Terms and Conditions: England Woodland Creation Offer](#).
2. The lead applicant confirms they will comply with the [Code of Conduct for Government Grants](#).
3. The lead applicant confirms that they have the authority to act on behalf of the organisation they represent.
4. The lead applicant will ensure the necessary consents and land access agreements for planting are in place prior to undertaking works.
5. The lead applicant will ensure all planting or natural colonisation and other activities undertaken to establish woodland will follow best practice and meet the requirements and guidelines of the [UK Forestry Standard](#).
6. The lead applicant will maintain the planted trees and replace failed trees.
7. The lead applicant confirms that, to the best of their knowledge, all the EWCO eligibility criteria are met.
8. The lead applicant will allow inspection by Forestry Commission staff for the purpose of inspecting EWCO funded activities.
9. The lead applicant agrees to follow best practice biosecurity guidance and will source all planting stock from a supplier who has either Plant Healthy certification, has applied for Plant Healthy certification, or who will provide a Ready to Plant assessment reference number (unless an exception has been expressly approved by the FC).
10. The lead applicant understands that any costs and liabilities of submitting this Application are to be borne by themselves, regardless of the outcome of the Application assessment process.

11. The lead applicant confirms that all estimations detailed in this Application are true and correct.
12. The lead applicant confirms that, to the best of their knowledge, any other person who has powers of representation, decision or control in the land or this Application has not been convicted anywhere in the world of any of the offences listed in [the Mandatory Exclusion Grounds for Public Procurement](#). We may ask for information to confirm this before deciding whether the Application will be accepted.
13. The lead applicant confirms that none of the involved organisations' Directors or Executive Officers have been in receipt of enforcement or remedial orders in relation to the Health and Safety Executive (HSE) or equivalent body in the last three years. We may ask for information to confirm this before deciding whether the Application will be accepted.
14. The lead applicant is not in receipt of, has not received or applied for, nor do they intend to apply for, any other government funding that would duplicate or conflict with this Application.
15. The lead applicant is not in receipt of private finance for any of the same benefits covered by the Additional Contributions in this application.
16. The lead applicant agrees to read, sign, and fully comply with the obligations detailed in the Agreement.
17. The lead applicant confirms that no works in the application have already been completed.
18. The lead applicant understands that they are liable for any false declaration.

As lead applicant I confirm that I have read, understood, and agree to each declaration listed above. I understand that failure to comply with any obligations above could lead to payments being stopped and reclaimed.

EWCO Application - Submission Checklist

We suggest you use this checklist to ensure your application is complete before submission. This does not form part of your application and completion is not mandatory.

EWCO Declaration Form	
The form has been signed by the lead applicant or authorised agent, and countersigned where applicable.	

EWCO Application Form	
All sections have been completed and the information is correct.	
The lead applicant is registered with the Rural Payment service and has provided an SBI number.	
All land detailed in the land summary is listed under the lead applicant's SBI with the Rural Payment service.	
All standard cost items applied for are necessary for establishing and maintaining the woodland, and I have reviewed the specification for these items in the Standard Cost Items on the EWCO GOV.UK page.	
Any Additional Contributions applied for meet the eligibility requirements in terms of location and design, as set out in the Additional Contributions for EWCO guidance on the EWCO GOV.UK page.	
I have reviewed the Grant Values (£), these match my understanding and I have submitted any financial evidence required as set out in the Section 5 of Apply for the England Woodland Creation Offer agreement guidance on the EWCO GOV.UK page.	
I have contacted my local Historic Environment (HERC) and Local Environment Record Centre (LERC) and submitted evidence of these data searches.	
I have undertaken checks for priority habitats using MAGIC and submitted a map as evidence.	

Application Map	
I have submitted a map showing the location of the proposed woodland and works being applied for, and this meets the minimum mapping standards as set out in the Section 11.1 of Apply for the England Woodland Creation Offer agreement guidance on the EWCO GOV.UK page.	

Supplementary documents (as applicable)	
If applying for the Recreational Access Additional Contribution, I have submitted an access map.	
If applying for actual costs for infrastructure, I have submitted the relevant quotes, specifications, maps, and consents.	
If any of the land in the application is Common Land, I have submitted a Common land and shared grazing: England Woodland Creation Offer .	
If the application includes natural colonisation, I have submitted a Natural colonisation site assessment Form .	

If there is an agent working on behalf of the lead applicant, I have submitted an Agent Authority Form (v4.0 or later), or this is already in place.
