

This map illustrates the existing catchment areas for four primary schools in the Bulwell area, Nottingham. The catchments are color-coded and outlined in black:

- Rufford P&NS** (Red dot): Located in the central-eastern part of the map, covering areas around Bulwell Hall Park and Bulwell Academy.
- Snape Wood P&NS** (Green dot): Located in the central-western part of the map, covering areas around Snape Wood and High Wood Cemetery.
- Hemphill Hall PS** (Red dot): Located in the southwestern part of the map, covering areas around Hemphill Hall and Hemphill Farm.
- Crabtree Farm PS** (Red dot): Located in the southeastern part of the map, covering areas around Crabtree Farm and Crabtree Farm Primary School.

The map also shows various geographical features, including roads (A610, A611, A612), rivers (River Trent), and parks (Bulwell Hall Park, Allcock's Wood). A legend in the bottom-left corner provides additional information about the map's scale and data sources.
