I. Name and address of Official Veterinarian to whom this certificate must be returned as soon as possible:

II. Name and address of exporter:

III. Address of flock of origin:

IV. Date of Export:

V. Health Information

I, the undersigned, certify that the birds comprising the flock of origin meet the following requirements:

- a) on (date), being within 30 days of despatch, the birds comprising the flock of origin have been inspected and found to be healthy and free from clinical signs of infectious disease;
- (b) in so far as can be determined, there has been no history of fowl cholera, ornithosis, Marek's disease, avian leukosis, infectious laryngotracheitis, infectious bronchitis or infectious avian encephalomyelitis, goose viral hepatitis or duck plague (viral enteritis) at the farm of origin during the past 6 months;

* (c) **FOR FLOCKS NON-MEMBERS OF A POULTRY HEALTH SCHEME**

blood samples have been taken from all the birds comprising the flock of origin and subjected to the rapid plate agglutination test for pullorum disease and fowl typhoid, with negative results in each case.

* (d) **FOR FLOCKS MEMBERS OF A POULTRY HEALTH SCHEME**

the flock of origin is a member of a Government supervised poultry health scheme, and is free of pullorum disease and fowl typhoid.

(e) **either*** on (date), the parents of the day old chicks /hatching eggs* were vaccinated against infectious bursal disease

or* the parents of the day old chicks/hatching eggs* have not been vaccinated against infectious bursal disease.

***Delete whichever is not applicable.**
