for Environment,
Food & Rural Affairs

Annex Six: References

Regulation 9a Reporting, The Conservation of Habitats and Species Regulations 2017 (as amended).

January 2026

We are responsible for improving and protecting the environment. We aim to grow a green economy and sustain thriving rural communities. We also support our world-leading food, farming and fishing industries.

Defra is a ministerial department, supported by 34 agencies and public bodies.
