Unless otherwise stated, reference in this licence to EU, Council or Commission Regulations shall be read as reference to those Regulations as they form part of retained EU law which, by virtue of the European Union (Withdrawal) Act 2018, forms part of UK domestic law and as may subsequently be amended from time to time.

1. VALIDITY

- 1.1. This licence variation shall not authorise fishing anywhere unless the vessel is registered as a fishing vessel under the Merchant Shipping Act 1995, or in the Channel Islands or Isle of Man.
- 1.2. This licence variation shall not authorise fishing anywhere unless the vessel holds a valid licence to fish in United Kingdom waters issued by the Scottish Ministers, Welsh Ministers, the Department of Agriculture, Environment and Rural Affairs in Northern Ireland or the Marine Management Organisation.
- 1.3. Any licence in respect of the areas and species covered by this licence previously issued in respect of the above-named vessel, is revoked immediately prior to the point at which this licence comes into force.
- 1.4. This licence, and any fishing authorisation issued in accordance with Article 7 of Council Regulation (EC) 1224/2009 must be carried on board the vessel and be produced to a Marine Enforcement Officer or British Sea Fishery Officer on demand. This condition may be fulfilled by production of a copy in electronic format.
- 1.5. This licence variation supplements the domestic fishing licence held in respect of the vessel to which it relates. It is not transferrable and will cease to have effect if the domestic fishing licence becomes no longer attached to the vessel to which it relates.
