- 1.1 The Authority will provide funding to local authorities to manage increases in the number of homeless applications following the Government's announcement on 28 March 2023 to end the use of hotels as bridging accommodation. All bridging hotels were closed on or by 31 August 2023.
- 1.2 The Authority will provide funding to local authorities to manage any additional pressures of homelessness presentations from transitional accommodation (or reception sites where applicable), in acknowledgement of the urgent and unplanned use of transitional accommodation at this scale.
- 1.3 Local authorities providing homelessness assistance, **which must include providing Temporary Accommodation** to Beneficiaries, as part of statutory homelessness duties, will be eligible to claim a one-off payment of £9,150 per household to help meet the homelessness assistance costs. In addition, integration wrap-around support, the same as that received in bridging accommodation, will be funded for up to 6 months where Temporary Accommodation is provided.
- 1.4 Funding cannot be claimed where the local authority has accepted a homelessness duty but has not provided the Beneficiary with Temporary Accommodation.
- 1.5 Funding cannot be claimed in cases where a LAHF resettlement property is being provided as temporary accommodation, and the local authority has accepted the homelessness duty because the property can only be offered as a non-secure tenancy or license.
- 1.6 These time-limited temporary accommodation funding arrangements are intended to help manage new pressures on homelessness services, reduce prolonged use of temporary accommodation where possible, and support integration outcomes.
- 1.7 This funding will be kept under review to ensure it is effective and proportionate.

STATEMENT OF OUTCOMES

- 1.8 The Recipient will provide homelessness assistance, including Temporary Accommodation, and integration support for Beneficiaries where they have accepted a homelessness duty. Please refer to Integration Support Funding

Instruction, Schedule 1, Statement of Outcomes for expectations for the provision of integration support.

1.8.1 The Recipient will also seek to arrange settled accommodation for those Beneficiaries they are supporting under homelessness duties which:

1.8.2 meets local authority standards, and

1.8.3 will be available as soon as possible after their arrival/or relocation to the local authority area, and

1.8.4 is affordable and sustainable.

HOW TO CLAIM

1.9 Local Authorities can claim funding for each household for whom they accept a homelessness duty (relief or main duty) and provide Temporary Accommodation. The Beneficiary must be accommodated in Temporary Accommodation in order for the local authority to claim funding. The funding can help meet the costs of Temporary Accommodation, support, and associated administration.

1.10 The funding can be claimed by any local authority which accepts a homelessness duty from a household (including eligible British Nationals) who:

1.10.1 were in bridging accommodation at the point of the Government's announcement to end the use of bridging accommodation on 28 March 2023 **and** who are homeless as a result of the closure of bridging accommodation (i.e. this funding does not apply to households for placements in interim Home Office accommodation or settled accommodation or any accommodation which is not local authority Temporary Accommodation). Local authorities can submit a claim for a household who present as homeless and meet these criteria where there has not already been a claim, over the next two (2) years or who

1.10.2 arrived in the UK between 1 September 2023 and 31 March 2024 and have been living in a reception site (where applicable) or transitional accommodation since their arrival. Funding cannot be claimed where the household's most recent address when making an application was Service Family Accommodation or any form of settled accommodation.

FIXED HOMELESS TARIFF – including claims process

1.11 Local authorities will be able to claim a fixed tariff of **£9,150** per household to help meet both the staff and administration costs for assessing and accepting a homelessness duty, **and** the costs of providing Temporary Accommodation. Receipt of this fixed payment is contingent on the Beneficiary being accommodated in Temporary Accommodation. In England and Wales, the funding can be claimed from the point at which the relief duty has been accepted. In Scotland it will apply to households with an accepted homelessness duty.

1.12 Local authorities may claim the full £9,150 per household fixed tariff for any household owed one of the above duties and who have provided Beneficiaries with Temporary Accommodation.

- 1.13 Claims for the homelessness assistance fixed tariff (and up to 6 months of associated temporary integration support – see below) should be made by one local authority even if beneficiaries need to be placed in Temporary Accommodation in an area outside the local authority that accepted the homelessness duty. In this scenario, the local authority where the duty is accepted should make the claims and would agree to any necessary reimbursement bilaterally with the other council, rather than claims being made by multiple local authorities for the same household. If possible, no household should move from one Temporary Accommodation location to another (in order to maintain integration outcomes).
- 1.14 In cases where one local authority accepts the duty and then makes a referral to another local authority on the basis of local connection and where the referral is accepted, the notifying local authority will not be eligible to make a claim for the funding. In this instance, the claim can be made by the notified/receiving local authority who is taking responsibility for the duty.
- 1.15 In order to submit a claim local authorities will need to provide a decision letter as evidence that they have accepted the relief or main duty and proof that they have provided Temporary Accommodation.

Funding for 6 months of temporary integration support

- 1.16 Local authorities can claim £28 per person per day temporary integration support funding so that beneficiaries can access integration support in the Temporary Accommodation area. This temporary integration support should include, as a minimum:
- support (and set-up in new areas) to access mainstream services (including health, education, employment) and safeguarding.
 - move-on casework support;
 - formal and/or informal ESOL support (English for Speakers of Other Languages).
- 1.17 This temporary integration funding is time limited for up to a maximum of 6 months, with local authority's claims based on the actual time beneficiaries spend in Temporary Accommodation. It can be claimed at the point at which a household moves into Temporary Accommodation.
- 1.18 Claims for temporary integration support should be made quarterly in arrears.

UNIT COSTS (£GBP) FOR HOMELESS DUTY & TEMPORARY INTEGRATION SUPPORT FUNDING	
Homelessness duty and Temporary Accommodation	£9,150 PER HOUSEHOLD
Temporary integration support – up to 6 months	£28 per person, per day

- 1.19 Claims should be made using the relevant Annex A, which will be sent to Recipients. The Recipient should make a claim for the single Homeless Duty per household. A Temporary Accommodation offer letter or agreement, and a

signed statement confirming/detailing the length of the household's stay in temporary accommodation must be provided as evidence with the claim.

- 1.20 For claims under each of these funding streams the Recipient will be provided with an Annex A. Guidance on how the Annex A should be included is included on the "Guidance Tab".

SCHEDULE 5: LOCAL AUTHORITY CASEWORKER & RELOCATION SUPPORT

This covers support provided whilst bridging hotels remained open up to and including 31 August 2023.

1. INTRODUCTION

- 1.1 The Authority will provide up to £2.4m to Recipients to help fund local authority and Voluntary and Community Sector (VCS) caseworkers. These caseworkers will form new, multidisciplinary teams, drawn from central and local government and civil society, and which will be stood up in hotels to ensure Beneficiaries have a robust support offer to discuss their options and opportunities.
- 1.2 The funding will specifically be targeted at local authorities with bridging hotels in their area to help guests to move on into settled accommodation.
- 1.3 Local authorities will receive baseline funding of £20,000 for each hotel in their area.
- 1.4 The remaining funding will be divided by the total number of guests currently in all hotels and multiplied by how many are in each hotel. Each local authority with at least one bridging hotel will therefore receive a further 'per person' allocation on this basis.

STATEMENT OF OUTCOMES

- 1.5 The Recipient will provide caseworker support to Beneficiaries in bridging accommodation. This can be drawn from the VCS, local government, or other partners. This caseworker support will:
 - 1.5.1 Provide housing advice and support to enable guests to 'move on' from bridging accommodation as quickly as possible.
 - 1.5.2 Provide integration support to ensure that guests feel ready to adapt to life in their new community.
 - 1.5.3 Provide support to access employment, ESOL, and other employment-related and training opportunities.
- 1.6 To maximise flexibility, it will be for the Recipient to determine the best use of funding claimed to provide the casework support to Beneficiaries outlined in paragraph 1.5 above. However, the Recipient should be able to explain how they are supporting Beneficiaries by documenting the type(s) of casework support provided.

Funding and Claims Process

- 1.7 The Authority agrees to provide Funding as a contribution to the Recipient's eligible expenditure in delivering the outcomes described in paragraphs 1.5 to 1.6, inclusive, as follows:

LOCAL AUTHORITY CASEWORKER & RELOCATION SUPPORT FUNDING	
Description of funding	Tariff
Baseline funding	£20,000 per bridging hotel
Additional per person funding	£157.86 per person – based on a Beneficiary living in a bridging hotel on 01 April 2023

- 1.8 The Recipient must make a claim on the specific “**LOCAL AUTHORITY CASEWORKER & RELOCATION SUPPORT**” **Annex A** to receive this single payment.
- 1.9 Guidance on how the Annex A should be included is included on the “Guidance Tab”.
- 1.10 Claims for both elements of this funding should be made at the same time and by **31 August 2023**.
- 1.11 This funding stream ceased with the closure of bridging hotels on 31 August 2023.
- 1.12 In submitting a claim under this Funding Instruction, the Recipient is confirming they have to the best of its knowledge and belief, submitted true and accurate information.

ANNEX D – Roles and responsibilities for Local Authority Wraparound staff, and Home Office teams in bridging accommodation effective up to and including 31 August 2023

Roles and responsibilities split:

Council wraparound staff and Home Office teams (HOLOs and Local Authority Engagement)

The following table sets out the default role split between councils (or council-commissioned Voluntary and Community Sector (VCS) staff) and Home Office teams (Home Office Liaison Officers and the Home Office Local Authority Engagement team). Council wraparound staff and HOLOs should feel free to collaboratively adjust this default position if helpful for local delivery.

Council wraparound staff (funded £28pppd)	Home Office Liaison Officer (HOLO)	Home Office Local Authority Engagement Team	Department for Levelling Up, Communities and Housing Local Authority Engagement Team
In addition to the £28pppd, the Government has provided £2.4m of funding to support councils with bridging hotels to boost their caseworking support for Afghan households in collaboration with VCS,	Summary of role: Home Office Liaison Officers (HOLOs) have responsibility for overseeing the operational	Summary of role: The Home Office Local Authority Engagement teams	Summary of role: Engagement on housing support, options and supply

Home Office, DWP and DLUHC colleagues. This column specifies the type of function we would expect councils to provide. It is essential that central and local government colleagues work collaboratively to make sure that every household has a clear individualised plan of support, and we are keen to hear more about how this is working in practice. <u>Summary of role:</u> Following the Government's announcement to end the use of bridging accommodation, we expect council wraparound staff's primary focus to be on helping facilitate households' moves into settled accommodation. Expertise in/knowledge of housing and homelessness should be prioritised. The council wraparound staff funded by £28pppd (and any voluntary and community sector organisations commissioned by councils to deliver this role) are responsible, together with the HOLOs for having joint conversations with hotel guests to help them navigate the challenges and opportunities of moving to settled accommodation and into communities.	functioning of, and associated stakeholder engagement, in the bridging hotels. • They are contracted by the Home Office to accommodate people on the Afghan resettlement schemes. • The HOLOs are responsible for communicating official Government messaging to individuals/families, including about Home Office property offers and next steps. • The HOLOs work closely with the council wraparound staff to ensure joint conversations take place with households about moving on to settled accommodation. <u>Key components of the role:</u> 1) Stakeholder engagement HOLOs manage stakeholder relationships and operational functions in hotels. HOLOs work with hotel personnel, councils, Government Departments, interpreters, and other stakeholders, as well as assisting in wellbeing, integration, and cultural events.	comprise Bridging Hotel LA Engagement Officers and Contact Officers. • The Bridging Hotel LA Engagement Officers provide support to local authorities, devolved administrations and LGA around the use of bridging hotels, hotel closures and exit dates. • Contact Officers work to secure commitment to participate in resettlement schemes, secure property offers and support councils throughout the process of receiving families and with their long-term integration. • Each region has a dedicated LA Engagement Officer and Contact Officer.	issues, including affordability and logistics, to tackle issues that are causing barriers and seek resolution (e.g. large families and difficulties accommodating) • Organising of strategic and broader engagement with LAs, DAs and LGAs regarding hotel closures and exit dates. • Owning Find Your Own and associated processes and engaging with LAs to get their buy in for the pathway, seeking their feedback to continuously improve it, and leading on engagement where LAs are not supportive/following the process. • Engagement on Homelessness funding and associated queries around the process (once agreed). • Engagement on Local Authority Housing Fund and associated queries. • Reinstating the Afghan Resettlement Local

These conversations will help guests better understand public and private settings/systems in the UK, including housing, employment, education, household planning, health and being an active member of local communities. The council wraparound staff work closely with HOLOs to hold joint conversations with families/individuals around the need to source their own accommodation and around property offer next steps where relevant (see HOLO section). Council staff should provide a visible presence in hotels on a regular basis to provide reassurance and support guests, whilst facilitating those conversations around accommodation. These conversations should be documented in the form of an individualised 'plan' to support each family/individual into their own settled accommodation. The expected roles/responsibilities set out below do not preclude the council from also using this funding for other purposes, as outlined in the statement of outcomes above. <u>Key components of the role:</u>	2) Engagement surgeries : HOLOs offer in-person and remote support to families/individuals, including: • Appointment-based surgeries to address queries ranging from Home Office case-related queries, general hotel/food standard issues, guest concerns and grievances. Distribute Government communications. • HOLOs are the first point of contact to issue ASPEN cash cards and Biometric Residence Permits (BRPs). 3) Triage/information collection: Triage and maintain accurate hotel occupancy data, including collecting data on needs and preferences of all guests in hotels in order to support effective matching to properties; and review as and when necessary. 4) Close working with wraparound staff: HOLOs	<u>Key components of the role:</u> Bridging Hotel LA Engagement Officer role. In relation to the 'move-on' process the LA Engagement Officer (sometimes referred to as "HOLA") will: • Provide a regional single point of contact within the Home Office for councils and other internal and external stakeholders supporting residents of bridging hotels, including escalating any concerns such as safeguarding and behavioural issues. • Keep councils informed of plans to end the use of hotels and work collaboratively to ensure guests are supported into settled accommodation. • Provide support to councils throughout the hotel exit process and escalate any issues	Authority Network (ARLAN) or a similar forum to establish and discuss best practice. • Engaging with local government and other organisations regarding innovative new housing solutions. • Engaging with LGAs on the role of the LA in the MDT (this is being taken forward through the Funding Working Group). • Monitoring and reporting on feedback from LAs

To assess the priority of households for settled accommodation in accordance with the Home Office’s Managing Vulnerability Households guidance. a) 1:1 ‘move-on’ conversations. (This should be for every family/individual with particular priority for the most vulnerable). • Hold 1:1 or family conversations as early as possible to assess the needs of the family under the vulnerability guidance and understand the aims, skills, needs/preferences of the adults and children. • As part of the “Plan”, identify the most vulnerable families living in bridging accommodation and put in place actions to address vulnerabilities identified to enable the family to move-on to alternative accommodation. • Share information on the most vulnerable families with the Home Office Matching Team via the HOLO. • Wraparound staff should give information and support to residents to seek their own accommodation in the private	should meet regularly with wraparound staff to share intel and collaboratively problem-solve. As part of this, HOLOs should discuss the outcomes of triage exercises and homelessness referrals with relevant council staff and record the outcomes in central systems. 5) Matching: HOLOs assist in the matching process by: • Holding discussions with families on specific property offers. • Managing expectations e.g., that better properties are unlikely to be available and would be at best a similar size and quality; and that specific offers are the first step towards their longer-term plans in the UK, not the location they need to remain in for many years/decades to come. • Act as a Home Office contact to families for accommodation moves. 6) Incidents: HOLOs act as mediators to maintain	that will impact delivery. • Work with councils to ensure that where moves are required between bridging prior to exit, appropriate accommodation is secured, and any concerns are escalated accordingly. • Ensure appropriate Home Office-commissioned wraparound support is provided by councils and their partners, as set out in these funding instructions. • Facilitate dialogue with councils to commission and decommission hotels within the estate, and manage any concerns raised. Leading Exit Plan engagement: • All operational engagement with LAs, DAs and LGAs regarding hotel closures and exit dates

rented sector via the 'Find Your Own Accommodation' pathway. - For single guests, they should help them build a network which could see them moving into a house of multiple occupancy, which may be more readily available than one bedroomed accommodation. 'Move-on' conversations and plans should consider and seek to address the specific needs of and potential barriers to individuals and families progressing to settled accommodation. Barriers could include understanding of the housing context, mental health, and English language. Councils wherever possible should seek to engage both men and women in 'move-on' conversations and support. - The support provided should go beyond the statement of outcomes listed on receipt of the existing £28pppd wrap-around support. b) Supporting the Home Office Accommodation Matching Process	positive multi-agency relations and will often lead unforeseen incident responses on the ground until it is resolved or referred, e.g., incidents which require police intervention, or safeguarding referrals. 7) Hotel closures: When existing hotels are closed, HOLOs: - Run 1:1 sessions with guests, issue departure letters/notices to quit and manage expectations about new destinations. - Feedback any safeguarding issues from the move - Collate luggage information for transport requirements. - Collaborate with the hotels to manage logistics. - Confirm departure times to guests. - Ensure guests arrive safely at their destination.	- Service Family Accommodation and associated processes - Securing property offers from LAs - Queries regarding service of Notice To Quit (NTQ) - Facilitating the process for Find Your Own moves, as per DLUHC guidance - Supporting the new matching process by connecting LAs and the matching team - Funding provisions owned by Home Office (payments made) - All UKRS and non-Afghan bridging hotel closures - Monitoring and reporting caseworking data Contact Officer role. In relation to the 'move on' process the Contact Officers will: - Work with councils and SMPs to secure settled accommodation offers for households and support councils

Be the main point of contact for councils with resettled families, engaging regularly to provide support and resolve issues to maintain effective relationships.	
c) Information-sharing & myth-busting. - Provide information and support to enable guests to (i) make informed decisions about moving on to settled accommodation and to enable them to (ii) settle successfully into being tenants and accessing services in new communities. - As part of proactive move-on conversations, and where questions arise reactively, wraparound staff should provide accessible information and actively ‘myth-bust’ inaccurate		Regarding the ‘find your own private accommodation’ pathway, they will: - Facilitate engagement with potential receiving councils where households wish to move to determine the level of integration support that may be available; - Monitor property offers and accepted FYO accommodation	

guest expectations to ensure individuals/families are able to make informed decisions and they understand the wider rationale for property offers being made in specific areas of the country. (Note: myth-busting materials will be provided by Government in parallel to support this.) For example: provide information around: Size/quality of UK housing in general; address specific myths around certain locations to ensure households are considering options outside of major cities; landlord relationship in private rented sector; home ownership; access to social housing. • Responsibilities for payment of Council Tax, insurance, utility bills, food and rent payments. • Financial position, eligibility, and opportunities for housing in the Local Housing Allowance (LHA) rate (via https://lha-direct.voa.gov.uk/). • Jobs markets and competition for certain roles. • Public service provision (e.g., availability of school places, health places etc.)		moves against pledges from each council, ensuring they on track to deliver on their pledge.

• Transport, inc. detailing that many people are required to travel some distance to work, education, shops, and places of worship. • Maps of the UK and help downloading relevant apps to provide clarity on travel times and distances to families, employment, and amenities. • Work with DWP to provide 'better off calculations' and clarify financial position (and requirement to find employment). • Support guests to accept a matched property offer (where relevant) by reiterating HOLO messaging (see HOLO section). • Help guests understand the role of the council once they move into settled accommodation.			
d) Find Your Own Accommodation. • Support guests to source their own accommodation. Wraparound staff are responsible for providing guests with information on accommodation in their local area and having conversations with guests on:			

• Managing guest expectations on local circumstances in their area including affordability and suitability of properties (including appropriate property size); • The type of support they will receive if moving with integration support and what they may receive if moving without. and any changes will be confirmed to councils. f) Manage homelessness applications for households who remain in bridging at the point of closure consistent with their statutory responsibilities. - Where the Home Office have issued notice to quit to a family/individual in bridging accommodation, councils should determine if the household have alternative accommodation available to them or may become homeless at the point of closure. - With the support of SMPs, councils should collaborate and cooperate with other councils in the region around hotel closures and supporting guests to move on. 2. Integrate cross-cutting considerations into support for households Consideration of needs & backgrounds. Throughout support to individuals/families, consideration should be given

to the varying needs and backgrounds of residents, including differences based on gender and protected characteristics more broadly. Individual needs within family units, for example, of women, should be considered as well as a family's needs as a whole. • Interpreting. Ensure interpreting services are available where necessary. • Council commissioning. Councils can use funding to deliver support directly by council staff and/or other organisations including the VCS and statutory services staff. • Delivering in external settings. Where possible, wraparound staff should support families/individuals to access services in the places that council advice is delivered – such as council offices, libraries, community settings etc. This will improve integration outcomes and will also help ensure that councils do not automatically need to develop a separate offer for those in hotels.

ANNEX F – Roles and responsibilities for Local Authority Wraparound staff, and Home Office teams in Transitional Accommodation for arrivals from 1 September 2023 to 31 March 2024

Roles and responsibilities split:

Council wraparound staff and Home Office teams (HOLOs and Local Authority Engagement)

The following table sets out the default role split between councils and Home Office teams (Home Office Liaison Officers and the Home Office Local Authority Engagement team). Council wraparound staff and HOLOs should feel free to collaboratively adjust this default position if helpful for local delivery.

<u>Council wraparound (funded £28pppd)</u>	<u>Home Office Liaison Officer (HOLO)</u>	<u>Home Office Local Authority Engagement Team (LAET)</u>
<u>Summary of role:</u> The council wraparound staff funded by £28pppd are responsible, together with the HOLOs for having joint conversations with hotel guests to help them navigate the challenges and opportunities of moving to settled accommodation and into communities.	<u>Summary of role:</u> HOLOs have responsibility for overseeing the operational functioning of, and associated stakeholder engagement, in the transitional hotels. These conversations will help guests better understand public and private settings/systems in the UK, including housing, employment, education, household planning, health and being an active member of local communities. The council wraparound staff work closely with HOLOs to hold joint conversations with families/individuals around the need to source their own accommodation and around property offer next steps where relevant (see HOLO section). Council staff should provide a visible presence in hotels on a regular basis to provide reassurance and support guests, whilst facilitating those conversations around accommodation. These conversations should be documented in the form of an individualised 'plan' to support each family/individual into their own settled accommodation. The expected roles/responsibilities set out below do not preclude the council from also using this funding for other purposes, as outlined in the statement of outcomes above. <u>Key components of the role:</u>	The HOLOs are responsible for communicating official Government messaging to individuals/families, including about Home Office property allocations and next steps. To assess the priority of households for settled accommodation in accordance with the Home Office’s Managing Vulnerability Households guidance. a) 1:1 ‘move-on’ conversations. (This should be for every family/individual with particular priority for the most vulnerable) Hold 1:1 or family conversations as early as possible to assess the needs of the family under the vulnerability guidance and understand the aims, skills, needs/preferences of the adults and children. As part of the “Plan”, identify the most vulnerable families living in transitional accommodation and put in place actions to address vulnerabilities identified to enable the family to move-on to alternative accommodation. Share information on the most vulnerable families with the Home Office Matching Team via the HOLO. Wraparound staff should give information and support to residents to seek their own accommodation in the private rented sector via the ‘Find Your Own Accommodation’ pathway. house of multiple occupancy, which may be more readily available than one bedroomed accommodation. ‘Move-on’ conversations and plans should consider and seek to address the specific needs of and potential barriers to individuals and families progressing to settled accommodation. Barriers could include understanding of the housing context, mental health, and English language. Councils wherever possible should seek to engage both men and women in ‘move-on’ conversations and support. The support provided should go beyond the statement of outcomes listed on receipt of the existing £28pppd wrap-around support. b) Supporting the Home Office Accommodation Allocation Process As part of the “Move-On Plan”, identify the most vulnerable families living in the bridging accommodation first in line with the Home Office Managing Vulnerable Households guidance to enable these to be considered for allocation to LA settled accommodation. Prioritising vulnerable families first. Thereafter all families. Encourage take up of housing offers, which will be communicated by the Home Office to relevant council staff. c) Information-sharing & myth-busting Provide information and support to enable guests to (i) make informed decisions about moving on to settled accommodation and to enable them to (ii) settle successfully into being tenants and accessing services in new communities. As part of proactive move-on conversations, and where questions arise reactively, wraparound staff should provide accessible information and actively 'myth-bust' inaccurate guest expectations to ensure individuals/families are able to make informed decisions and they understand the wider rationale for property allocations being made in specific areas of the country. (Note: myth-busting materials will be provided by Government in parallel to support this.) For example: provide information around: Size/quality of UK housing in general; address specific myths around certain locations to ensure households are considering options outside of major cities; landlord relationship in private rented sector; home ownership; access to social housing. Responsibilities for payment of Council Tax, insurance, utility bills, food and rent payments.

Financial position, eligibility, and opportunities for housing in the Local Housing Allowance (LHA) rate (via https://lha-direct.voa.gov.uk/). Jobs markets and competition for certain roles. Maps of the UK and help downloading relevant apps to provide clarity on travel times and distances to families, employment, and amenities. Work with DWP to provide 'better off calculations' and clarify financial position (and requirement to find employment). Support guests to accept a matched property offer (where relevant) by reiterating HOLO messaging (see HOLO section). Help guests understand the role of the council once they move into settled accommodation. d) Find Your Own Accommodation. (but not limited to) providing deposit and initial rent. e) Inter-council information sharing Wraparound staff will agree the transfer of families between councils by: Sharing key information (including number of family members, gender, age, education levels, mental health issues, past experiences etc.) between councils and relevant statutory services. Facilitating conversations with the ‘receiving’ council where more information about a property/area is needed/requested by a family to ensure the successful transfer of that family. Agreeing continuity of support to ensure that there is sufficient handover in place to support the transition of families and individuals. Note: transport for all moves from Home Office Transitional Accommodation to settled accommodation approved by Local Authorities is currently organised by the Home Office; however, outside of these parameters, decisions will be made on a case-by-case basis and any changes will be confirmed to councils.
