Product Safety Report

V8 E-bike	
Aspect	**Details**
Images	
PSD Number	2601-0351
Product Type	Hobby/sports equiment – Cycles (Powered)
Product Identifiers	Model: V8-250809BYQ Charger: LBC053546020 Other Product Identifier: AP2508HH011091
Product Description	Electric-assisted bicycle with ‘KENDA’ on the tyres.
Country of Origin	China
Counterfeit	No
Risk Level	High
Risk Type	Injuries
Risk Description	The product presents a high risk of injuries as it has space for two riders, but the foot plate for the second rider, or passenger, is too close to the pedals. This could lead to the passenger and rider becoming entangled and losing control of the bicycle. The front mud guard is also incorrectly positioned, and improvements are required to the product labelling and marking. The product is also sold with a plug that does not meet the dimensional requirements of BS 1363, has no capacity for a fuse and is incompatible with a UK plug socket. The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008 or the Plugs & Sockets etc. (Safety) Regulations 1994.
Corrective measures	The import has been rejected at the border.
Online Marketplace	N/A
Notifier	Local Authority Trading Standards
