- Proposed Boundary
- Area Proposed for Designation
- Proposed Deletion (2025)
- North Yorks Moors National Park
- Howardian Hills National Landscape (AONB)
- Flamborough Headland (Heritage Coast)

The proposed boundary shown on this map is fully-described in the Boundary Assessment report. For the most part, the boundary is mapped to clear features on the ground, administrative boundaries or watercourses as shown on the Ordnance Survey map. Where the boundary follows a road, it usually follows the edge of the metalled highway closest to the mapped line.

Ordnance Survey's Local Authority Boundary-Line data was used to define the seaward limit of the Proposed Boundary. This is digitised to Mean Low Water Springs MLWS. It may not always align with features depicted on the OS 1:25,000 base-map.

The proposed boundary shown on this map is fully-described in the Boundary Assessment report. For the most part, the boundary is mapped to clear features on the ground, administrative boundaries or watercourses as shown on the Ordnance Survey map. Where the boundary follows a road, it usually follows the edge of the metalled highway closest to the mapped line.
