CARBON BORDER ADJUSTMENT MECHANISM

The Carbon Border Adjustment Mechanism (Administrative Provisions) Regulations 2026

Made - - - -

Laid before the House of Commons

Coming into force - -

1st January 2027

CONTENTS

PART 1

Introductory provisions

1. Citation and commencement

PART 2

Registration

2. Information to be provided on registration
3. Value of CBAM goods
4. Record keeping for registration

PART 3

Returns

5. Interpretation of this Part
6. Information to be included in a return
7. Record keeping for returns

PART 4

Reimbursement arrangements

8. Interpretation of this Part
9. Reimbursement arrangements: general
10. Reimbursement arrangements: provisions to be included
11. Reimbursement arrangements: repayments
12. Records relating to reimbursement arrangements: keeping and production
13. Undertakings

PART 5

Weight of a CBAM good

14. Meaning of weight of a CBAM good
15. Record keeping for weight
16. Assessment of weight by an officer of Revenue and Customs

PART 6

Keeping and preserving records

17. Further requirements to keep records

18. Preservation and form of records

The Commissioners for Revenue and Customs make these Regulations in exercise of the powers conferred by section 154(2) of, and paragraphs 2(5)(a), 5, 7(3) and (4), 13, 14 and 28 of Schedule 16 to, the Finance Act 2026^(a).

PART 1

Introductory provisions

Citation and commencement

1.—(1) These Regulations may be cited as the Carbon Border Adjustment Mechanism (Administrative Provisions) Regulations 2026.

(2) These Regulations come into force on 1st January 2027.

PART 2

Registration

Information to be provided on registration

2.—(1) A person who is required to register with HMRC^(b) under paragraph 2(1) of Schedule 16 to FA 2026^(c) must provide the following information when registering—

- (a) the person's name, correspondence address, telephone number and (where available) email address,
- (b) where information is provided by an officer or employee of the person on behalf of that person, the officer's or employee's name, position in the business^(d), telephone number and (where available) email address,
- (c) the address of the person's principal place of business (if different from sub-paragraph (a)),
- (d) whether the business is carried on by an individual, a limited company, partnership or other unincorporated body, or in any other capacity,
- (e) the person's EORI number,
- (f) if the person is registered for VAT, that person's VAT registration number,
- (g) the date on which the person triggered registration under paragraph 2(2) of Schedule 16 to FA 2026,
- (h) the value of the CBAM goods^(e) which the person imported^(f), or expects to import, during the period specified by paragraph 2(2)(a) or (b) of Schedule 16 to FA 2026, as applicable, and

(a) 2026 c.[X] ("FA 2026").

(b) "HMRC" has the meaning given by section 152(1) of FA 2026.

(c) "FA 2026" has the meaning given by section 278 of FA 2026.

(d) "Business" has the meaning given by section 152(1) of FA 2026.

(e) "CBAM good" has the meaning given by section 152(1) of FA 2026.

(f) "Import" has the meaning given by section 152(1) of FA 2026.

- (i) the estimated weight of the CBAM goods in each CBAM sector which the person expects to import into the United Kingdom in the period of 12 months beginning with the date on which the person triggered registration.

(2) In this regulation—

“CBAM sector” means the commodity codes set out under a single heading in the Table in Schedule 15 to FA 2026 other than the commodity codes that the Table indicates are excepted;

“EORI number” means a valid Economic Operators' Identification Number assigned by HMRC on the registration of the applicant under Article 9 of Regulation (EU) No 952/2013 of the European Parliament and of the Council of 9 October 2013 laying down the Union Customs Code^(a), read with Articles 5 and 6 of Commission Delegated Regulation (EU) 2015/2446 of 28 July 2015 supplementing Regulation (EU) No 952/2013 of the European Parliament and of the Council as regards detailed rules concerning certain provisions of the Union Customs Code^(b);

“VAT registration number” means the number allocated by the Commissioners^(c) to a person registered under the Value Added Tax Act 1994^(d).

(3) For the purposes of paragraph (1)(h), the value of a CBAM good is to be determined in accordance with regulation 3.

(4) For the purposes of paragraph (1)(i), the weight of a CBAM good has the meaning given in regulation 14.

Value of CBAM goods

3.—(1) Paragraph (2) applies in the case of a CBAM good which is described in section 141(2) or (3) of FA 2026.

(2) The value of a CBAM good to which this paragraph applies is the same as the value of that good determined for customs purposes in accordance with Part 12 of the Customs (Import Duty) (EU Exit) Regulations 2018^(e).

(3) Paragraph (4) applies in the case of a CBAM good which is described in the following subsections of section 141 of FA 2026—

- (a) subsection (5)(b), but only in a case where the import results from entry into Great Britain from the Isle of Man,
- (b) subsection (5)(c),
- (c) subsection (5)(d), or
- (d) subsection (6).

(4) The value of a CBAM good to which this paragraph applies is to be determined in accordance with Part 12 of the Customs (Import Duty) (EU Exit) Regulations 2018, as if the CBAM good is a chargeable good, and has been presented to Customs on import, for the purposes of Part 1 of TCTA 2018^(f).

(a) EUR 1313/952; Article 9 was amended by S.I. 2019/715 (which was itself amended by S.I. 2020/1379 before it came into force).

(b) EUR 2015/2446; Article 5 was amended by S.I. 2019/915 (which was itself amended by S.I. 2020/1379 before it came into force). Article 6 was amended by S.I. 2019/715 (which was itself amended by S.I. 2020/1379 before it came into force) and S.I. 2025/20.

(c) “The Commissioners” has the meaning given by section 152(1) of FA 2026.

(d) 1994 c. 23.

(e) S.I. 2018/1248. Regulation 108 was amended by regulation 4(10) of S.I. 2025/745.

(f) “TCTA 2018” has the meaning given by section 278 of FA 2026.

(5) Paragraph (6) applies in the case of a CBAM good which is described in the following subsections of section 141 of FA 2026—

- (a) subsection (4), but only in cases where that good is not taken out of the charge to duty under section 30A(3) or 40A(1)(a) of TCTA 2018 by regulations made under section 30B(1)(a) or 40B(1)(a) of that Act, or
- (b) subsection (5)(b), but only in cases where the import results from entry into Northern Ireland from the Isle of Man.

(6) The value of a CBAM good to which this paragraph applies is the same as the value of those goods determined for customs purposes in accordance with Chapter 3 of Title II of UCC 2013^(a).

(7) Paragraph (8) applies in the case of a CBAM good which is described in the following subsections of section 141 of FA 2026—

- (a) subsection (4), but only in cases where that good is taken out of the charge to duty under section 30A(3) or 40A(1)(a) of TCTA 2018 by regulations made under section 30B(1)(a) or 40B(1)(a) of that Act, or
- (b) subsection (5)(a).

(8) The value of a CBAM good to which this paragraph applies is to be determined in accordance with Chapter 3 of Title II of UCC 2013, as if the CBAM good—

- (a) is a chargeable good for the purposes of Part 1 of TCTA 2018, and
- (b) has been brought into the customs territory of the European Union.

(9) For the purposes of a valuation under the applied legislation referred to in paragraphs (2), (4), (6) and (8), goods that are expected to be imported for the purposes of paragraph 2(2)(b) of Schedule 16 to FA 2026 are to be treated as imported goods.

(10) In paragraph (4), “presented to Customs on import” has the meaning given by section 34 of TCTA 2018.

Record keeping for registration

4. A registered person must keep records evidencing the information required to be provided under regulation 2.

PART 3

Returns

Interpretation of this Part

5. In this Part, “the place of origin of the good” is to be determined in accordance with provision made under section 17(1) to (6) of TCTA 2018 that is applicable to the customs tariff, as defined in section 8 of TCTA 2018, as it has effect without regard to any provision made under sections 9 to 15 or 19(4) of that Act.

Information to be included in a return

6.—(1) Where a person is required to make a return under paragraph 7 of Schedule 16 to FA 2026, the return must include the following information for each CBAM good imported during the accounting period in respect of which CBAM is charged—

(a) “UCC 2013” has the meaning given by section 152(1) of FA 2026.

- (a) the 8 digit commodity code;
 - (b) the weight of the CBAM good;
 - (c) [where a default value is being used for any precursor goods for a CBAM good, the weight of the precursor good;
 - (d) where a default value is being used to determine the emissions embodied in the CBAM good, or is being used for any precursor goods, the level of the default value;
 - (e) where actual emissions data are being used for the CBAM good, or for any precursor goods, the emissions intensity;]
 - (g) the amount of carbon price relief(a);
 - (h) the place of origin of the good.
- (2) A return must include a declaration by the person making it that the return is, to the best of their knowledge, true and accurate.
- (3) The Commissioners may publish a notice setting out additional information which is to be included in a return.
- (4) In this regulation—
- “commodity code” has the same meaning as paragraph 2 of Schedule 15 to FA 2026;
- [“default value” means the amount in tonnes of carbon dioxide equivalent(b) specified for a tonne of CBAM good in a notice published by the Treasury under paragraph 11(1) of Schedule 16 to FA 2026;
- “emissions intensity” has the meaning given by regulation 3 of the Carbon Border Adjustment Mechanism (Emissions and Verification) Regulations 2026
- “precursor good” has the meaning given by regulation 2 of the Carbon Border Adjustment Mechanism (Emissions and Verification) Regulations 2026;]
- “weight of the CBAM good” has the meaning given by regulation 14;
- [“weight of the precursor good” means the weight, in tonnes—
- (a) net of any packing materials and packing containers of any kind,
 - (b) immediately prior to the point at which the precursor good began to be used in the production of a CBAM good.]

Record keeping for returns

7. A person who makes a return for a CBAM good must keep records evidencing the place of origin of that good.

PART 4

Reimbursement arrangements

Interpretation of this Part

8. In this Part—

“claim” means a claim made under paragraph 25 of Schedule 16 to FA 2026 and “claimed” is to be construed accordingly;

(a) “carbon price” has the meaning given by section 147(3) of FA 2026.

(b) “tonne of carbon dioxide equivalent” has the meaning given by section 152(1) of FA 2026.

“claimant” means a person who makes a claim;

“relevant amount” means that part (which may be the whole) of the amount of the claim which a claimant has reimbursed or intends to reimburse to other persons.

Reimbursement arrangements: general

9. For the purposes of paragraph 26(2) of Schedule 16 to FA 2026^(a), reimbursement arrangements^(b) made by a claimant are to be disregarded except where they—

- (a) include the provisions described in regulation 10, and
- (b) are supported by the undertakings described in regulation 13.

Reimbursement arrangements: provisions to be included

10. The provisions referred to in regulation 9(a) are that—

- (a) reimbursement for which the reimbursement arrangements provide will be made before the end of the period of 90 days beginning with the day on which the repayment to which it relates was made,
- (b) no deduction will be made from the relevant amount by way of a fee or charge (however expressed or effected),
- (c) reimbursement will be made in a manner specified in a notice published by the Commissioners,
- (d) any part of the relevant amount that is not reimbursed by the end of the period referred to in paragraph (a) will be repaid by a claimant to the Commissioners, and
- (e) any interest paid by the Commissioners on any relevant amount repaid by them will also be treated by a claimant in the same way as the relevant amount falls to be treated under paragraphs (a) to (d).

Reimbursement arrangements: repayments

11. Where a claimant is required to make any repayment to the Commissioners by virtue of regulation 10(d) or (e), a claimant must, without prior demand, make this repayment within the period of 14 days beginning with the day after the day on which the period referred to in regulation 10(a) ended.

Records relating to reimbursement arrangements: keeping and production

12.—(1) A claimant must keep records of the following matters—

- (a) the name and address of each person that a claimant has reimbursed or that a claimant intends to reimburse,
- (b) the total amount reimbursed to each person,
- (c) the amount of interest included in the total amount reimbursed to each person, and
- (d) the date that each reimbursement is made.

(2) A claimant must preserve the records for the period of 6 years beginning with the later of—

- (a) the last day of the accounting period to which the records relate, or
- (b) the day on which a claimant makes the reimbursement to which the records relate.

^(a) Paragraph 26(2) of Schedule 16 to FA 2026 provides that it is a defence to a repayment claim that the repayment would unjustly enrich a claimant.

^(b) “Reimbursement arrangements” has the meaning given by paragraph 28(2) of Schedule 16 to FA 2026.

(3) Where an officer of Revenue and Customs gives a claimant notice in accordance with paragraph (4) below, a claimant must, in accordance with such notice, produce to the Commissioners or to an officer of Revenue and Customs the records, that a claimant is required to keep pursuant to paragraph (1).

(4) A notice^(a) given for the purposes of paragraph (3) must—

- (a) be in writing,
- (b) state the day on which and the place and time at which the records are to be produced, and
- (c) be signed and dated by an officer of Revenue and Customs.

(5) All records referred to in this regulation must be kept and preserved in writing.

Undertakings

13.—(1) The undertakings referred to in regulation 9(b) must be given to the Commissioners by a claimant no later than the time at which a claimant makes the claim for which the reimbursement arrangements have been made.

(2) The undertakings must be in writing and be signed and dated by a claimant, and must be to the effect that—

- (a) at the day of the undertaking, a claimant is able to identify the names and addresses of each person that the claimant has reimbursed or intends to reimburse,
- (b) a claimant will apply the whole of the relevant amount repaid to them (without any deduction by way of fee, charge or otherwise) to the reimbursement of such persons, before the end of the period of 90 days beginning with the day after the day on which the claimant receives the amount (unless the claimant has already properly reimbursed the persons),
- (c) a claimant will apply any interest paid on the relevant amount repaid to the claimant wholly to the reimbursement of such persons before the end of a period of 90 days beginning with the day after the day on which that interest is received,
- (d) a claimant will repay to the Commissioners without demand the whole, or such part, of the relevant amount repaid or any interest paid to the claimant as the claimant fails to apply in accordance with the undertakings mentioned in sub-paragraphs (b) or (c),
- (e) a claimant will keep the records described in regulation 12(1), and
- (f) a claimant will comply with any notice given in accordance with regulation 12(4) concerning the production of such records.

PART 5

Weight of a CBAM good

Meaning of weight of a CBAM good

14. For the purposes of any provision in or under Part 5 of FA 2026, references to the weight of a CBAM good are, unless stated otherwise, to the weight of that good—

- (a) without packing materials and packing containers of any kind,

(a) Service of such a notice is provided for in Part 13 of Schedule 16 to FA 2026.

- (b) at the time that good is imported into the United Kingdom(a), and
- (c) expressed in kilogrammes.

Record keeping for weight

15. A registered or registrable person(b) who has imported a CBAM good must, in relation to that good(c), keep a record of—

- (a) the weight of that good, and
- (b) any evidence which that person relies on in relation to the weight of that good, including information or documents obtained from another person.

Assessment of weight by an officer of Revenue and Customs

16.—(1) Paragraph (2) applies where it appears to an officer of Revenue and Customs that a person has—

- (a) failed to give the correct weight of a CBAM good to the Commissioners;
- (b) failed to keep any records under regulation 15.

(2) The officer may determine the weight of a CBAM good for the purposes of any provision in or under Part 5 of FA 2026.

(3) In making a determination under paragraph (2), the officer may—

- (a) make estimates or assumptions;
- (b) make comparisons between the CBAM good in question and products or materials that are similar in nature, and may rely on any evidence that officer may have as to the weight of such similar products or materials;
- (c) rely on any information or documents, including information or documents obtained in the course of an inspection.

(4) Where an officer makes a determination under this regulation, the officer must notify the person identified in paragraph (1) in writing.

PART 6

Keeping and preserving records

Further requirements to keep records

17.—(1) A person who imports a CBAM good in the course of a business must, in so far as that person is not already required to do so under these Regulations, keep a record evidencing the following for that good—

- (a) the 8 digit commodity code and description for the good;
- (b) the date the good was imported into the United Kingdom;
- (c) the value of the good;
- (d) the weight of the good;

(a) A CBAM good is imported into the United Kingdom for the purposes of CBAM if it meets the description in section 141 of FA 2026.

(b) “registered person” and registrable person” have the meaning given by paragraph 2(10) of Schedule 16 to FA 2026.

(c) “Import” has the meaning given by section 152(1) of FA 2026.

(e) where applicable, that section 144(2) of FA 2026 applies to the good.

(2) In this regulation “commodity code” has the same meaning as paragraph 2 of Schedule 15 to FA 2026.

(3) For the purposes of paragraph (1)(c), the value of a CBAM good is to be determined in accordance with regulation 3.

(4) For the purposes of paragraph (1)(d), the weight of a CBAM good has the meaning given in regulation 14.

Preservation and form of records

18.—(1) This regulation applies to records required to be kept under these Regulations, excluding regulation 12.

(2) Where the record relates to an accounting period that record must be preserved for a period of 6 years beginning with the day after the end of the accounting period.

(3) In any other case, the record must be preserved for a period of 6 years beginning with the day on which the record is created.

(4) All records must be kept and preserved in writing.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision in connection with a new tax called the carbon border adjustment mechanism (“CBAM”), which is provided for in Part 5 of the Finance Act 2026 (“FA 2026”).

Part 1 provides for citation and commencement.

Part 2 sets out the information that a person must provide to HMRC when required to register in accordance with paragraph 2(1) of Schedule 16 to FA 2026.

Part 3 sets out the information that must be included when a person is required to make a return in accordance with paragraph 7 of Schedule 16 to FA 2026.

Part 4 makes provision about reimbursement arrangements.

Part 5 makes provision about the meaning of weight of a CBAM good for the purposes of CBAM.

Part 6 makes provision about record keeping requirements for the purposes of CBAM.

A notice made under a power created by these Regulations will be published at [***].

[A Tax Information and Impact Note covering this instrument was published on 26th November 2025 alongside Budget 2025 and is available on the website at [TIIN Page]. It remains an accurate summary of the impacts that apply to this instrument.
