

EMPLOYMENT TRIBUNALS

Claimant: Mr C Walton

Respondent: EESTAIRS UK LTD

JUDGMENT

The Judgment of the Tribunal is as follows:

1. The claim is struck out under Employment Tribunal Rules 38(1)(c) and (d) because the Claimant is in breach of a Tribunal Order and has not actively pursued the case.

REASONS

2. A strike out warning was issued on 29 April 2025 by EJ Fredericks-Bowyer. The Claimant did not respond to that strike out warning and has still not complied with the Order of Employment Judge Burge dated 9 January 2025 or actively pursued the claim. It is therefore in accordance with the overriding objective for the claim to be struck out.
3. The preliminary hearing listed for 23 September 2025 and the final hearing listed for 14 – 16 September 2026 will not take place.
