Claimant: R Elhaw

Respondent: The Dental Imaging Company Limited

JUDGMENT

The claimant's application received on 19 December 2025 for reconsideration of the judgment sent to the parties on 6 December 2025 is refused.

REASONS

In your application for reconsideration, you ask for a reconsideration of the decision 'refusing an extension of time'. This decision was sent to the parties on 5 June 2025. Your application for a reconsideration of the decision made on 5 June 2025 is refused. The application is made more than 14 days after the decision was sent to the parties and you have given no explanation for the delay. Furthermore, you have not indicated whether the application has been copied to the other party and it is not in the interests of justice for this requirement to be dispensed with.

You have previously applied for reconsideration of the decision dated 5 June 2025 and that reconsideration was refused as there was no reasonable prospect of the judgment being varied or revoked.
