You may still be required to pay for assisted conception services or for UK born children*

Remember to regularise your UK born child's status early

For more information go to

<http://www.nhs.uk/nhs-services/visiting-or-moving-to-england>

Or ask to speak to our

Overseas Visitors Team

Healthcare that is urgent or immediately necessary will always be provided, and must never be withheld or delayed, even if you need to pay. Please be aware you may also be expected to pay fees that UK residents pay for.

* UK born children under 3-months who have not left the UK to parents who have a valid visa which attracted the IHS you will not need to pay for. You may need to pay after they are 3-months old. Regularise your child's status as soon as possible.
