**LOCAL GOVERNMENT ACT 2003 SECTIONS 16(2)(B) AND 20: TREATMENT OF
COSTS AS CAPITAL EXPENDITURE**

Dear Ian,

1. I refer to Slough Borough Council's letter of 1 March 2023 ("the application"), applying for a capitalisation direction to fund revenue expenditure incurred by the Council in respect of the pressures or income losses outlined in your request for Exceptional Financial Support.
2. I can now confirm that the application is given approval at a total not exceeding £46.325 million with respect to the financial year 2023-24, subject to the conditions outlined below. This direction takes immediate effect.
3. Accordingly, the Secretary of State directs, in exercise of his powers under sections 16(2)(b) and 20 of the Local Government Act 2003 ("the Act"), that Slough Borough Council ("the Council") treats as capital expenditure, expenditure which:
 - i. is revenue expenditure and meets the definition of an additional cost pressure as identified and agreed with the Ministry for Housing, Communities and Local Government (MHCLG) through the Council's formal request for Exceptional Financial Support;
 - ii. is properly incurred during the financial year 2023-24; and
 - iii. does not exceed a total of £46.325 million.
4. In a further exercise of the Secretary of State's powers under section 20 of the Act, it is a condition of this direction that:
 - i. the Council may only capitalise expenditure that has been incurred and recognised under proper practices;

- ii. where the Council's capital financing requirement is increased as a result of the capitalisation of expenditure under this direction, the Council shall charge annual Minimum Revenue Provision using the asset life method with a proxy 'asset life' of no more than 20 years, in accordance with the Department's Statutory Guidance on Minimum Revenue Provision issued by the Secretary of State under section 21(1A) of the Local Government Act 2003.
5. This direction is given for the purposes of Chapter 1 of Part 1 of the Act only. It does not convey any other consent that may be required or any view as to the propriety of the expenditure. It is for the Council to be satisfied that any amount to which this direction is applied is properly incurred in the financial years concerned.

Yours sincerely,

Suzanne Clarke
