Agenda

1. **Introductions and standing items**

- Sit Rep
- Programme Updates

2. **Priority Items**

Sector Support (25 minutes): Update on current support offers and discussion on how to best target extra support going forward.

Implementation Assurance (30 minutes): Update on implementation assurance.

3. **AOB**

Meeting Notes

Participants discussed the update on current support for councils undergoing reorganisation and how to best target extra support going forward. There was also a discussion on implementation assurance, and how to ensure new councils are set up to deliver immediately once they go live.

MHCLG updated the group on progress made with items that they discussed at previous Advisory Group meetings and members volunteered to feed into further work on the public services reform, early intervention and implementation planning and practicalities.
