

Honeywell Miller H500-Series Harnesses with Leg Buckles	
Aspect	Details
Images	
PSD Number	2601-0316
Product Type	Personal Protective Equipment - Climbing Harness
Product Identifiers	Brand: Honeywell Miller Production Period – 1 March-30 June 2025 at Nabeul, Tunisia production facility. For a full list of product identifiers, please see Annex A below.
Product Description	H500-series harness designed to protect against fall from height that may cause serious injuries. It is sold and supplied in different configurations and sizes.
Country of Origin	Tunisia
Counterfeit	No
Risk Level	Serious
Risk Type	Injuries
Risk Description	<p>A small number of harnesses were assembled with incorrect webbing routing through the front/sternal D-ring and/or leg buckles. This means key safety parts may fail during a fall and the harness could break or disconnect, leading to serious or fatal injuries.</p> <p>The product does not meet the requirements of Regulation (EU) 2016/425 on Personal Protective Equipment.</p>
Corrective Measures	<p>The product has been recalled from end users, who were contacted directly by Honeywell Safety Products UK on 23rd December 2025.</p> <p>For further information, please see: PIP HSP Recall We recommend that owners stop using this product immediately and return it to your distributor for redress.</p>
