

Application for authorisation to issue plant passports

Department
for Environment
Food & Rural Affairs

Llywodraeth Cymru
Welsh Government

- Please complete this form in **BLOCK CAPITALS** and send it to plantpassportregistration@apha.gov.uk or contact PHSI HQ on 0300 1000 313
- A new application must be submitted each year or when your authorisation details change.

Part 1 – Applicant's Details

1. Name or company name

2. Full postal address

Postcode

Telephone No.
(including national dialling code)

Fax No.

3. E-mail address

4. PHSI Registration No.

5. Applicant's reference

Part 2 – Authorisation Details

6. Name in Full, of person who will be responsible for inspecting plants, issuing plant passports and keeping records.

7. Are you a trader only? That is - You buy in finished plants intending to sell them on straight away

If you answered 'Yes' (✓), please go straight to the declaration on page 5.

Please tick the boxes next to the plant material which you would like to plant passport.

Section A: These genera require a growing season inspection, to be carried out by APHA, at all stages of growth down to the final retailer.

For *further* details of the relevant hosts or pests and diseases consult the QPD Index which is available from your local plant health inspector.

Host plants of Fireblight, intended for planting and pollen for pollination excluding fruit and seeds

(You will be audited but you will not require a Growing season inspection)**

Part 3 – Plants Grown in Soil

- | | | | |
|--|----------------------|-------------|-----------------------|
| 8. Do you grow plants in soil? | Yes | No | (If no go to Part IV) |
| | | | |
| a. Are the plants or bulbs going to be planted on the same place of production as that on which they raised? | | | Yes No |
| b. Are the plants for planting going to be subject to a PCN disinfestations process before being moved, such that there is no risk of PCN being spread? | | | Yes No |
| c. Are the harvested bulbs or plants for planting going to be washed or brushed practically free of soil such that there is no risk of PCN being spread? | | | Yes No |
| d. Does the field on which the plants or bulbs are to be grown have a history of Potato cyst nematode (PCN) freedom during the last 12 years based on the results of testing? | | | Yes No |
| e. Does the field on which the plants are to be grown have a known cropping history in which no Potatoes, Peppers, Aubergines or Tomatoes have been grown in the field in the last 12 years? | | | Yes No |
| f. Do you grow plants other than those listed below (eg Turf) | | | Yes No |
| Asparagus officinalis | Allium asconicum | Allium cepa | Allium porrum |
| Beta vulgaris | Brassica spp. | Capsicum | Dahlia |
| Fragaria | Gladiolus | Hyacinthus | Iris |
| Lilium | Solanum lycopersicum | | Narcissus |
| Solanum melongena | Tulipa | | |
| | | | |
| • If you answered 'yes' to any one of the above 6 questions – Your obligations in regard of the PCN Directive and plant passporting are fulfilled and your application can proceed. | | | |
| • If you did not answer 'yes' to any one of the 6 questions above – PHSI will need to take a soil sample before your application can proceed. | | | |
| • Is there any history of Potato Wart Disease (<i>Synchytrium endobioticum</i>) on site? | | | Yes No |

Field Plans are required for all field grown crops. Please show the growing area, marking where the different genera and varieties of plants will be grown. Separate plans are needed for each site including the full site name and address

Field Plan attached?	Yes	No
----------------------	-----	----

Part 4 – Declaration

- I declare that the information that I have given on this form is correct.
- I understand that authorisation to issue plant passports will impose certain obligations in England and Wales under The Plant Health (Amendment etc.) (EU Exit) Regulations 2020 on protective measures against pests of plants and that certain official inspections will be made in order to confirm those obligations are met.
- Official inspections will be charged for according to schedules of fees published on gov.uk and any invoices for payment in connection with this application should be sent to me and I understand that I will be liable to pay the sums due.
