**Respondent:** Alfa Coaches Ltd

## JUDGMENT

It is the decision of the Employment Tribunal that:

1. The respondent's application for strike out of the claimant's claims does not succeed.
2. The claimant complaints under paragraph 16.1 and 21.1 of the agreed list of issues have little reasonable prospect of success. On that basis a deposit order has been made for the claimant to pay a sum of £250 for each claim in order to continue with those claims. The details are on a separate deposit order.
