SAUDI POLICE CLEARANCE FOR BRITISH NATIONALS ABROAD

We regret that we are unable to assist former residents of Saudi Arabia in obtaining a Police Clearance Certificate for the period of time they lived and/or worked in the Kingdom. In addition, the Saudi authorities have informed the British Embassy in Riyadh that, due to a change in policy, non-Saudi nationals living abroad can no longer obtain the Saudi Police Clearance Certificate through the Embassy of the Kingdom of Saudi Arabia.

The Saudi authorities require applicants to be physically present in the Kingdom, holding an active and valid residency ID, in order to take their fingerprints and issue the required certificate.

As an alternative, applicants may consider providing a letter from a former colleague, employer, or other professional contact who can vouch for their good conduct during the period in question, should the requesting organization accept such supporting documentation
