Product Description	A black 42V charger intended for e scooters and hoverboards.
Country of Origin	China
Counterfeit	No
Risk Level	Serious
Risk Type	Fire
Risk Description	<p>The product presents a serious risk of fire because the plug supplied with the product is counterfeit and does not meet the dimensional requirements of BS 1363. This means the plug cannot make a secure connection to the plug socket, which over time will damage the pins and could cause the product to overheat and catch fire. Improvements are also required to product labelling and marking.</p> <p>The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs & Sockets (Safety) Regulations 1994.</p>
Corrective Measures	We recommend that you stop using this product immediately and contact the distributor for redress.
