Inspector A Hickey MA MRTPI has been appointed to determine the application.

Following a [procedural review](#) the application is to be determined on the basis of representations in writing as it does not raise issues which cannot be clearly understood from the written submissions. We'll update the procedure on the application website page shortly.

The Questionnaire and supporting documents were submitted after the consultation period had closed. In accordance with Regulation 6(3), should the applicant wish to respond to this submission only, please provide any comments by **9 March 2026**. A copy of the questionnaire and supporting documents are available to view on the webpage above.

As per our letter of 16 January, you are also reminded that a certified copy of a signed and dated, completed obligation should be submitted to the Planning Inspectorate within two weeks of the end of the representation period in order for it to be taken into account in reaching a decision on the application.

Kind regards

Leanne
