

## **Northumbrian Water – 16/07**

- Heidi Mottram introduces Northumbrian as a company and their highlights.
- EH outlines the Government position – importance of delivering AMP8.
- EH and Heidi discuss topics including AMP8 delivery, constructing reservoirs (Northumbrian increased one in size in 2015), innovation (e.g. AI sewer network).  
Key theme for Heidi is support provided by their long-term investors.
