Address

This certificate is valid for 10 days from the date of certification

NOTES

1. A separate certificate must be issued for each consignment.
2. The original of this certificate must accompany the consignment to the place of destination.
3. Point (f) is applicable only if the oocytes/embryos were imported into NI from a third country authorised to send ovine oocytes/embryos to GB. Please delete this paragraph if not applicable.
[GBHC822 OE-OVC v1.0 Aug-23.pdf](#)
4. Point (g) refers to oocytes/embryos intended for onward exports to a third country (TC). If not destined for a third country, delete this paragraph.
If destined to be exported from GB to a TC, the NI aPVP must attach the completed TC EHC to this certificate, for example, for export of in vivo embryos to Argentina: EHC 8161.
