

EXPORT OF PET BIRDS TO THE REPUBLIC OF TÜRKIYE

NOTES FOR THE GUIDANCE OF THE OFFICIAL VETERINARIAN AND EXPORTER

IMPORTANT

These notes provide guidance to Official Veterinarians (OV) and exporters. The Notes for Guidance (NFG) should have been issued to you together with export certificate 6698EHC. The NFG should not be read as a standalone document but in conjunction with certificate 6698EHC. We strongly suggest that exporters obtain full details of the importing country's requirements from the veterinary authorities in the country concerned, or their representatives in the UK, in advance of each consignment.

Scope of the certificate.

1. This certificate is for the export of pet birds to Türkiye. It is the responsibility of the exporter to ensure that the birds to be exported will be accepted by the Turkish authorities as pets, and that they will therefore accept this certificate for the consignment.
Associated Documents 6698EHC, 6698NFG, 618NDC.

2. **CERTIFICATION BY AN OFFICIAL VETERINARIAN (OV)**

This certificate may be signed by an OV appointed by the Department for Environment, Food and Rural Affairs, the Scottish Government or the Welsh Government, who is on the appropriate panel for export purposes or who holds the appropriate Official Controls Qualification (Veterinary)(OCQ(V)) authorisation, or an Authorised Veterinary Inspector (AVI) appointed by, or an OV of, the Department of Agriculture, Environment and Rural Affairs in Northern Ireland (DAERA).

OVs/AVIs should sign and stamp the health certificate with the OV/AVI stamp in any colour **OTHER THAN BLACK**.

In GB a certified copy of the completed certificate must be sent to the Centre for International Trade, Carlisle within seven days of signing. In the case an AVI in Northern Ireland, a certified copy must be sent to DAERA, Dundonald House, Belfast.

Import Permit

3. The importer should check with the Turkish authorities whether they require an import permit for the proposed export of their pet bird(s) to Türkiye.

Clinical Examination

4. Paragraphs IV (a) and (b) refer. The examination must be conducted within 48 hours prior to the intended time of export.

Notifiable disease clearance

5. Paragraphs IV (c) and (d) may be certified on behalf of the Department provided the OV has received written authority on form 618NDC which will be sent to them.

6. **Disclaimer**

This certificate is provided on the basis of information available at the time and may not necessarily comply fully with the requirements of the importing country. It is the exporter's responsibility to check the certificate against any relevant import permit or any advice provided by the competent authority in the importing country. If these do not match, the exporter should contact the Centre for International Trade - Carlisle, via the link below:

<http://www.gov.uk/government/organisations/animal-and-plant-health-agency/about/access-and-opening>

7. **WELFARE DURING TRAVEL**

Welfare conditions during transport are laid down by Council Regulation EC 1/2005, implemented in England by The Welfare of Animals (Transport) (England) Order 2006, and parallel legislation in Scotland, Wales, and Northern Ireland.

Exporters must comply with the UK welfare laws relating to the export of animals. If transported by air, animals should be transported in accordance with International Air Transport Association (IATA) standards.

Further information about the necessary requirements may be obtained from the Animal Welfare Team at any of the offices mentioned below:

England, Scotland & Wales

Welfare in Transport Team at the APHA Centre for International Trade - Carlisle, via the link below:
