1 RMP HUMINT/CRIMINT REPORT

Muhammed Rahdi Nama

Back Ground: Believed to be a convicted murderer/rapist. He was sentenced initially in 1992 and was subsequently released under a 'mercy release', having served 2 yrs of a 25 yr sentence. Upon his release, he committed similar crimes and was jailed again in 1996 for 25 yrs, however was released prior to the war commencing.

On his release from prison he joined the militia. He has boasted that he killed a member of the CF located near the university. It is believed he is a professional killer.

Present Activities He is the leader of one of two groups operating in the Al Hussain Area. His group consists of approximately 10 men; however the source was only able to name 5, listed below:

- 1. [redacted] (Brother in Law)
- 2. [redacted] (Brother)
- 3. [redacted] (Friend)
- 4. [redacted] (Friend)
- 5. [redacted]

This group are participating in the buying and selling of weapons. They are also conducting other criminal activities; theft of motor vehicles, looting and the purchase of illegal drugs. It is also alleged that the group, after an evening drinking and taking drugs locate and kidnap women in order to rape and kill them for personal enjoyment.

Local Rumour The whole community is frightened of coming forward as witnesses to the crimes committed by this group, however it is believed that if apprehended then the people will be willing to talk and give accounts of the incidents. The following is believed to have occurred as a result of this group:

- 1. 3 girls are missing from the Al Zxton Sq – people afraid to speak about this now but attempts have been made to obtain further information via ITT.
- 2. A photographer called 'Latief' has a daughter who has also gone missing.
- 3. 4 girls are missing from the Temimia area.
- 4. Most of the girls which have been taken, it is believed that violence is used and once raped they are killed.
- 5. This group are believed to carry out the rapes in the Industrial Area of Basrah and bodies have been found in Aboel Khassib. It is also believed that secondary schools are targeted to select their next victims.

Restricted
