In the matter of an investigation into the deaths of Mr Radhi Nama and Mr Mousa Ali

STATEMENT OF SO100

I have been provided with correspondence dated 10th October 2024 addressed to my Solicitor and in particular I have been asked for my comments in relation the detail of witness statements made on 19th July 2014 and 19th February 2015 by SO110.

I confirm that I do not recall this briefing and would not have told anyone to mistreat any Iraqis or any other prisoners. I confirm that is not in my leadership style and would question if SO110 recollection is correct as if this briefing took place within days of us entering Camp Stephen such briefing would likely have been taken place at Company level.

I wish to make clear that I did not tell any Soldier to mistreat anyone.
