

Viessmann Vitorondens 200-T / 222-F Oil Condensing Boiler with Vitoflame 300 Oil Blue Flame Burner	
Aspect	Details
Images	
PSD Number	2601-0285
Product Type	Gas appliances and components – Oil Condensing Boiler
Product Identifiers	Brand: Veissmann Models: Vitorondens 200-T / 222-F; Vitoladens 300-T (33 kW)
Product Description	The Vitorondens 200T/222F is a residential oil condensing boiler with a Vitoflame 300 blue-flame burner, cast-iron primary and stainless-steel secondary heat exchanger. It is managed by an LMO burner control and Vitotronic system.
Country of Origin	Germany
Counterfeit	No
Risk Level	High
Risk Type	Asphyxiation
Risk Description	The product presents a high risk of asphyxiation as testing has indicated that some 2021-2023 boilers may ignite late, causing pressure damage and possible CO leaks. This could expose people in the building to unsafe exhaust gases and potentially lead to asphyxiation.
Corrective Measures	Veissmann have notified end users who are affected by this issue and have warned installers of the risks. Affected users will receive a replacement ignition module and burner control unit, and a CO detector with shut-off function or conversion of the burner to current series configuration with pressure sensor.
