

London Borough of Camden

What does the rule relate to?	Rule	Live example (before and after)
General	<p>Whilst London Borough of Camden have invested into making significant change to their register to prepare it for migration this change has been enacted over an extended time period and the register has been largely unchanged since the data was bulk updated in summer of 2025.</p> <p>Little change is therefore expected in respect of the content of search results from those issued by the local authority in the 8 months or so prior to the transfer to HM Land Registry</p>	
Cancelled charges	<p>Data cleansing resulted in the cancellation of significant numbers of charges that have been discharged, ceased to have effect or ceased to be a charge along with some entries that were not registrable as charges.</p> <p>These include:</p> <ul style="list-style-type: none"> - Expired grants - Paid in full part 2 financial charges - Part 1 financial charges that did not and will not become specific financial charges - Expired part 11 light obstruction notices - Compulsory purchase orders and part 6a and b land compensation charges that have been completed - Entries in relation to the granting of house in multiple occupation licences
