Street Bins	No	Yes	Yes	Yes	Yes	Yes	Yes	No
Separately collected healthcare waste	No	Yes	Yes	Yes	Yes	Yes	Yes	No
Commercial collections	No	No	Yes	No	Yes	No	Yes	No
Beach cleansing	No	No	Yes	No	Yes	No	Yes	No
Clearance of fly-tipped materials	No	No	Yes	No	Yes	No	Yes	No
Other 'non-household' waste categories in WasteDataFlow	No	No	Yes	No	Yes	No	Yes	No
Asbestos waste	No	Yes	Yes	No	No	Yes	Yes	No

Collection types made by local authorities and specified materials	All UK countries [note 1] 'Waste from households'	Wales national [note 2] 'Household waste'	Wales national [note 2] 'Local authority municipal waste'	England [note 3] 'Household waste'	England [note 3] 'Local authority collected waste'	Northern Ireland [note 4] 'Household waste'	Northern Ireland [note 4] 'Local authority collected municipal waste'	Scotland national [note 5] 'Household waste'
Soil	No	Yes	Yes	Yes	Yes	No	Yes	Yes
Rubble and plasterboard	No	No	Yes	No	Yes	No	Yes	Yes
Ash recovered after incineration	No	Yes	Yes	No	No	No	No	No
Metal recovered after incineration	Yes	Yes	Yes	No	No	Yes	Yes	Yes

Notes on Table A1:

1. Waste from household recycling rate is published at UK and country level for each of the four UK countries. Northern Ireland publish down to local authority level.
2. Household recycling rate for Wales published at country level.
3. Household recycling rates for England published at England, regional and local authority level. 'Local authority waste' is published at country, region and at local authority level for waste disposal authorities and unitary authorities only.
4. Northern Ireland publish both recycling measures at country, region and local authority levels.
5. Scotland publish household recycling measures at country and local authority levels.
