

EMPLOYMENT TRIBUNALS

Claimant: Mr C Newberry

Respondent: Solar Services South West Ltd

JUDGMENT

The claim is struck out.

REASONS

1. By a letter dated 4th August 2025 the Tribunal gave the claimant an opportunity to make representations or to request a hearing to explain why the claim should not be struck out for non-compliance with case management orders relating to preparation for the final hearing.
2. The claimant failed to make representations in writing why this should not be done, nor did he request a hearing at which to make such representations.
3. The claim is therefore struck out for the following reasons;
 - The claimant did not comply with the Case Management Orders of the Tribunal dated 2nd July 2025
 - The claimant did not object to the strike out warning of 4 August 2025 in relation to the failure to comply with those orders.
 - The claim has not been actively pursued.
4. The hearing fixed for **17-18th November 2025** will not take place.
