Product Description	A blue hedge trimmer with cable and plug.
Country of Origin	China
Counterfeit	Unknown
Risk Level	Serious
Risk Type	Fire
Risk Description	The product presents a serious risk of fire as it has wires soldered directly to the PCB with no secondary means of mechanical restraint in a high vibration/shock environment. This could lead to the battery thermal protection becoming loose, leading to overheating and fires. In addition, the plug face does not meet the dimensional requirements of BS 1363 and may not make a secure connection with the socket, also posing a risk of overheating and fire. The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008 or the Plugs & Sockets (Safety) Regulations 1994.
Corrective Measures	The import has been rejected at the border.
