

Fisheries and Seafood Scheme (FaSS)

THIS FORM IS FOR EXPRESSIONS OF INTEREST (EOI's)

COMPLETING THIS FORM

Use this Expression of Interest form if you would like an initial assessment of the potential eligibility of your project before submitting a full application form. Your Expression of Interest form will be considered, and if your project could be eligible for funding, you can apply for a FaSS grant. However, having your Expression of Interest form considered and being invited to apply to the FaSS is **NOT** a guarantee that your project will be granted funding.

Please refer to the Expression of Interest Guidance Note for help on how to fill out this form. You must answer every question to provide us with sufficient information to establish if your project is eligible for grant funding.

Certain applicants may not be eligible to apply for FaSS grant funding. This applies to any individual who has been convicted of a serious infringement in the 12 months prior to applying for an FaSS grant or fraud under any other fisheries grant – See the Expression of Interest Guidance Note or General Guidance for more information. If you require further details, please contact the Marine Management Organisation (MMO) to discuss.
